BEAVER BOARD
If you are building or going to complete some unfinished rooms, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.
Office Hours—8 A. M. to 6 P. M.

Over 75 per cent. of Local Gramophones are Cecilian. Follow their example. They are equipped with Electric Stop, plays any record, fully Guaranteed. Sold on easy terms.

STRIKE ORDER AT POWER HOUSE
Engineer and Firemen Not Satisfied With Increases Granted.

A meeting of the Town Council was held Tuesday evening. His Worship Mayor Murray presiding. Those present were Counc. McKay, Campbell, Ingram, Dickie and Bissett.
The minutes of previous meeting read and confirmed.
A letter was read from the New Brunswick Advertising Co. re advertising in "Who's Who" in Automobiles. The letter laid on the table.
Another letter was read from the firemen at Electric Light Station informing the Council that if their demands for a raise of fifty cents per day was not granted they would go on strike at 4 o'clock on Feb. 25th.
Coun. Bissett said that as he understood it the men were not satisfied with the award of the council. He thought that the Council made a mistake in not passing the manager's recommendation. The men recommended for an increase were the ones entitled to such a raise.
Coun. Ingram thought that it was time to fire the whole bunch. They had been given two increases and an eight hour day since the present Council came into power. They were hard to please.
Coun. Dickie said that it was evident their letter had been written before they had received notice of the Council's action, and surely would not walk out before notifying the Council.
Coun. Bissett moved that Robinson and Larsen be given an increase of five dollars per month. No second.
Coun. Bissett moved that the resolution adopted at the last meeting of the Council, granting increases of salaries to the employees at the Electric Light Station be rescinded and that the manager's recommendation increasing Engineer Robertson's salary to \$115.00 and Fireman Larsen's to \$105.00 be adopted. Motion lost.
Coun. McKay moved that letter from employees at Electric Light Station be placed on file.—Carried.
Coun. McKay thought that the chairman of the committee should let the Council know if there was any possibility of getting a new staff. He thought this was a holdup and the Council should not stand for it. These employees had been fairly dealt with by this Council.
A communication from the Alice Chalmers Co. re agreement for temporary motor to drive pump, was read.
Coun. McKay moved that the Mayor and Town Clerk be authorized to execute the above contract, with a clause protecting the interests of the Town.—Carried.
The information was given that the Alice Chalmers Co. had not shipped the pump on the 14th inst. as promised but would not ship until the 23rd inst.
The clerk read a letter from Mr. Belyea, re accounting system, also asking for payment of \$250.00 on account.
Coun. Ingram moved that Mr. Belyea be paid \$250.00 on account.—Carried.
Departmental reports were read and accounts ordered paid.
The annual reports of the Electric Light, Water & Sewerage, Public Charities, Public Property & Streets departments were read and ordered received, placed on file, and printed in the annual town report.
Coun. McKay moved that Mr. H. J. Currie, Chairman of the School Board was granted an opportunity of addressing the Council.
Chairman Currie addressed the Council in reference to finances of the School Board. He showed that the amount assessed for school purposes last year, \$25,000 was not sufficient. That on Feb. 1st the Board had spent including overdraft at beginning of year \$18,812 which left only a little over 5,000 to carry on the work for the balance of the year. The pay roll alone would be \$8,838.75, besides other expenses. On account of the fire at the upper school and the providing of additional rooms together with the heating additional expenses has been entailed. He asked for an additional grant of \$8,500.00 for school purposes.
Coun. McKay said that the Council were glad to have Mr. Currie come and explain school matters. In the past the School Board had asked for so much money and it had been granted without a question. Was glad that all this information had come up. He did not see how the Council could at this time make an additional grant. Could the Board not carry on until after the next assessment?
Mr. Currie thought that if an overdraft was to be carried it should be carried by the Town, not the School Board.
Coun. Dickie favored the Council taking charge overdraft.—Carried.
Coun. Ingram thought that the Council should have some time to think the matter over.
Coun. Dickie moved that the Finance Committee consult with the Town Solicitor in this matter and bring in a report at next meeting.—Carried.
Coun. McKay submitted the following resolution:
That application be made to the Legislative Assembly of the Province of New Brunswick at its next session to secure legislation to amend section 70, 51 Victoria, Chapter 81 as amended.

DELEGATION SEES SUPT. L. S. BROWN
Improved Car Service at Once and Will Recommend Daily Express.

A large and influential delegation consisting of members of the Campbellton Board of Trade and representative business men from along the I.N.R. went to Montreal on Sunday to interview Supt. L. S. Brown upon matters relating to the train services on the I.N.R. branch of the Canadian National Railway.
On Monday they met Supt. Brown in his office and the whole matter was presented to him.
After hearing the statement of various members of the delegation Supt. Brown promised that so far as conditions of the cars were concerned he would give orders to have this remedied and make provision for additional cars when traffic was heavy.
With reference to a daily express train service he said he could not give a definite answer, but would make a strong recommendation for same to headquarters.
The members of the delegation have decided that they will go direct to Mr. Brady and press this matter, and will also approach the Post Office Department for a daily mail service.
The delegation was composed of Messrs. D. A. Stewart, P. M. Shannon, Campbellton; J. H. Gagnon, N. Malenfant, R. Lynch, J. F. Michaud, A. Burgeon, J. E. Michaud, Jos. Chiswick, Patrick Jean and others of I.N.R. points.

DR. SNOW
Dentist
Will be at Jacques River on March 8th, for four days.

PULP MILL WILL RESUME WORK
New Syndicate of Capitalists Are Said to be in Control of Plant.

Newcastle, Feb. 24.—The pulp mill at Millerton has been bought by a new syndicate of capitalists known as the local paper man of valuable experience.
The new owners will shortly put the mill into condition to resume operations.
Rumors are also abundant respecting another large milling property in this vicinity.

NEW POST OFFICE.
A new post office has been established at Rocky Gulch on the I.N.R. Mr. Claud Davidson received his appointment as postmaster Monday evening and the office is no doubt now open for business. Since the Martinson Lumber Company commenced operations there quite a settlement has grown up and a lot of mail is daily received at the Campbellton office for that point.

CAMPBELLTON MUSICAL CLUB.
The Campbellton Musical Club met on Tuesday evening of this week at the home of Miss Gladys Currie. It was a business meeting, the officers for the new year being elected and programme for meetings drafted. The following officers were elected:—
President—Miss Gladys Currie.
Vice President—Miss Jessie Mackintosh.
Secretary—Miss Greta Metalar.
Treasurer—Miss Kathleen Rand.

GREAT REDUCTION.
If Campbellton citizens will read carefully D. Goldsberg & Co's. adv. on page 4 they will find many lines at bargain prices.

Mary Pickford is soon to be seen at the Opera House in "Heart O' the Hills," the third picture from her own studio following the tremendous successes of "Daddy Long Legs" and "The Hoodlum."
ed, so as to make it necessary to submit any proposition for exemptions as are therein provided, to the ratemakers of the Town of Campbellton for approval before the same be granted; and for the amendment of section 16, 51 Victoria, Chapter 81 so as to provide for the holding of the annual election on the third Tuesday in January in each year instead of the third Tuesday in April, also for the amendment of section 15, 4 Geo. 7, Chap. 69, to provide for denominations of Fire Station Debentures in amounts of \$50.00 and upwards, with rate of interest on same not exceeding six per cent. per annum.
Coun. Ingram was in favor of the change. He thought that something should be put in this legislation so that only half of the Council should retire each year.
Coun. McKay's resolution was carried unanimously.
The council adjourned.

CAMPBELLTON AGAIN WINS
Night—A Clean Game.

The Campbellton Skating Rink was crowded to witness the Campbellton-Sussex game last night. This was without doubt the fastest game of the season, also the cleanest, only one penalty being handed out.
For the visitors the goal tender was a real wonder, the quickness of his eye foiled many attempts to lag the puck and it was only by hard pushing that Campbellton scored.
Campbellton defence was very good and this was had for the visitors as their forwards were not very heavy. Hay at point did some good work for his team.
The score at close was 10-6 in favor of Campbellton.
The following is the line-up:—
Sussex: Campbellton Finigan Goal Dunca Hay Point Mott P. Radcliffe C. Point MacLean H. Radcliffe Centre Starak McEwen R. Wing Matthews Friers L. Wing Thomas Spares, Sussex—Chair, Courtney Spares, Campbellton—Lavolette, Payne, Fowler.
Referee—O'Keefe.
Coming soon—Mary Pickford in the third First National release from her own studios, "Heart O' the Hills."

EDITOR'S MAIL
All letters addressed to the Editor must be accompanied by the name and address of the sender, not necessarily for publication, but as evidence of good faith. No notice will be taken of anonymous communications.

Campbellton, Feb. 15, 1920
Editor of the Graphic,
There seems to be a few who do not understand the part women are taking in the affairs of the world to-day. I am very pleased to see that you are advocating that they should be given a vote in our Town Government. This privilege is given in many parts of Canada. Why not Campbellton? If you could give space for clipping perhaps those who may wish to stay in the old rut themselves, might not retard others who have a more progressive spirit.
Thanking you in advance,
Yours truly,
READER.

LONDON, Feb. 14.—Lady Bonham Carter, daughter of the former Premier Herbert Asquith, has been invited to become a candidate for Parliament by another constituency, as a result of her efforts in behalf of her father in the Paisley bye-election campaign. She declared today that she had not yet decided whether to accept, principally because it means giving up the greater part of her home life.
CITY FRANCHISE TO WOMEN.
Winnipeg, Feb. 6.—The first city in Manitoba to extend the right of franchise to women will be St. Boniface, just across the river from Winnipeg, an amendment to its charter is allowed, permitting women who have reached their majority and have the majority qualification to vote on by-laws and for municipal officers by the Legislature. The bill is now receiving consideration by the Legislature.

River Maine, P. Q., Feb. 16th. Campbellton Graphic, Campbellton, N. B. Gentlemen,—
I see in your issue of Feb. 12th, that the record load of logs has been hauled at the Louison Lumber Company's Mill at Nash's Creek. Does he mean the record load for Jacques River and Nash's Creek or for the County of Restigouche. If it is for the County of Restigouche I can tell him that his load was beaten at my camp for the Dalhousie Lumber Co. about ten years ago, on two different occasions, one load of 148 logs was hauled by Dan Hanaly of Campbellton, another load of 151 logs hauled by Adalard Bouteau of Bathurst, the logs in both these loads averaged 50 feet board measure to the log. Those two loads were hauled three miles and a half at Adam's Sliding on the I. N. R.
Hoping Mr. Editor you will publish those few lines, I am
Yours truly
ROBERT B. ADAMS.
Val Brilliant, P. Q., Feb. 15th, 1920.
To the Editor of the Campbellton Graphic,
Dear Sir,—
Allow me a space in your valuable paper for a few words I wish to mention concerning hauling logs. On

LUMBER MILL DESTROYED
Fire Wipes Out Mill of Martinson Lumber Company at Rocky Gulch.

A serious fire on Friday last destroyed the lumber mill of the Martinson Lumber Co. at Rocky Gulch a few miles from Campbellton. The mill was completely destroyed. It had been in operation at this point for a number of years and is one of three owned by that company which is operating on what is known as the Alexander limits.
A general meeting of the Campbellton Board of Trade will be held in the Council Chambers on Friday, Feb. 27, at 8 p.m.
H. R. SMITH,
Secretary.

Wednesday the 11th of February, Mr. Michal Kelly hauled (147) one hundred and forty seven logs, nothing under eight inches at the top. They were loaded by George Foster, and Thomas Sivert, counted by Gordon Brown and James R. Walsh. Hauled on a two turn road and over two hundred yards of a gravel hill, quite a steep descent. When they reached the landing they were unladen by Gordon Fraser and Albert Carroll. This load was hauled at J. R. Pollock's camp. This is the biggest load that has been known to be hauled in Val Brilliant for thirteen years.

Yours truly,
GORDON FRASER,
Val Brilliant,
Matana Co. P. Que. Feb. 24-1-wk.

MAID WANTED.
Wanted a maid, for general housework, good wages. Apply to

CAMPBELLTON VETS UNDER "GAS ATTACK"
Writer in Chat'ette Has Much to Say About Bathurst-Campbellton Game.

Much prominence was given in a recent issue of the Chatham Gazette to the friendly sporting game played here in which Bathurst were the victors by the odd goal in a tally of 13.
"Great was the fall thereof," "Conquerors of the Moncton Vets," "Self-styled champions of New Brunswick" are some mixtures "coming over." What about conquerors of Chatham at Chatham? Would that one blow back in their own faces. At about a return match at Campbellton?
The Gazette is quite correct in its statement that the "Vets" had scored the Maritime Freezing Point game to play here and although both Chatham and Moncton owe them return games and every reasonable independent has been offered them neither team could see their way clear to come. WHY?
The following teams were nominated:—
Amherst and Moncton, Fredericton and Marysville, and the only teams to respond were—Sussex, Amherst and Moncton.
We still have a good sheet of ice and should Chatham wish to play a return match it can be arranged quite easily for any night next week. "What a hope we have."—Cor.

HAVE YOUR LAMPS TRIMMED.
Get your lamps trimmed and filled for Saturday evening. The employees of the Electric Light Station say they quit work at 4 o'clock, Feb. 28th, unless the Town Council come across with that increase in pay.
