

TO BE HELD IN TORONTO.

A Statesman's Strong Convention
Coming to the City Next July—Sug-
gested International Association.

School Inspector Hughes looked quite
pleased last night when he announced to
the World that the Executive Committee
of the National Teachers' Association had
resolved that the next convention of that
body be held in Toronto.

"The convention this year," said Mr.
Hughes, "was held in St. Paul and there
were 16,000 persons in attendance. Of these
12,000 were members of the association, 4,000
being ladies."

"Toronto was in opposition to Toronto
for the honor next year, but the Queen City
was chosen. This was the result of invita-
tions from Hon. Mr. Ross, Minister of Educa-
tion, the Provincial Teachers' Association
of Ontario, the Toronto Teachers' Association
and the City Council."

The convention will commence July 14,
and last almost a week, certainly four days.
A meeting is to be called shortly of
representatives of all the public bodies to
form committees for arranging a due recep-
tion. An official bulletin will have to be pre-
pared.

"St. Paul netted a profit of fully \$4600,
besides thoroughly advertising the city. We
propose to bid for the hall in the best pri-
vate houses in Toronto, and will call on our
ad for this part of the work the ministers of
the various churches and the different Chris-
tian organizations. Of course they will pay
for their accommodation, but what we want
is to make them comfortable while they are
with us."

Professor Collins, school superintendent,
New York City, and Professor Cook, sec-
retary of the executive committee, will, it is
understood, visit Toronto to assist in making
arrangements.

An exhibition of school work will be held
in connection with the convention. Steps
are being taken to form a Dominion Associa-
tion, and it may just happen that Canada
and the United States, next July, will form
an international association.

At the Police Court.

Colonel Denison yesterday sent John Kelly
to jail for a month for larceny of pants.

Smith, Richard McLaughlin and Robert Bell,
arrested at 1, Belok Thursday morning
while rowing about the bay in a boat taken
from the crew of the schooner, were
pleaded not guilty to a charge of trespass,
and were remanded for evidence. Florence
Wilson pleaded guilty to a charge of con-
ducting a disreputable establishment at 109
Ontario-street, and upon proving, to leave
the city was remanded on her own bail to
appear for sentence when called upon.

For frequenting the house Edward and Owen
Logan were each fined \$20 and costs or 30
days. Joseph Gaudier, for an aggravated as-
sault on Henry Crowe, is a Yonge-street
restaurant, was fined \$5 and costs or 30 days.

lins were committed for trial on a charge
of highway robbery, the victim being Frank
Dwyer of Parli-street.

Toronto Humane Society.

At a meeting of the Toronto Humane So-
ciety held yesterday afternoon Mr. W. R.
Brook presided. Mr. J. J. Kelo gave an in-
teresting account of the recent convocation
of the American Humane Association, and
expressed the hope that before long there
would be a similar organization in Canada.
Steps were taken to urge the insertion of a
clause in the new street way regulations in
prohibiting the overloading of cars, and
calling for an extra horse at steep grades.
Resolutions were made for the exhibition
to be given under the society's auspices
in the Art Gallery on Front-street, Novem-
ber 28. The art collection will be on exhibition,
and an orchestra will be in attendance and
the prizes recently awarded to school children
will be presented by Mrs. Beverley Robinson.
Short addresses will be given by Mr. Brook,
Sir David Wilson and Canon McMillin.

Mrs. W. J. Lang, Bethany, Ont., writes:

"I was one of the greatest sufferers for about fifteen
months with a disease of my eyes similar to
catarrh. I tried everything that was recom-
mended. At last, however, I tried Dr. Ross's
Electric Oil and in ten days my eyes were
cured and I am now as well as ever."

Librarian Houston's Mission.

Mr. W. Houston is on a visit to the United
States, and before his return he will en-
quire into the working of the system of Uni-
versity Extension at the University in Philadel-
phia, where it has been adopted. The posi-
tion which the University in the Queen City
occupies is not unlike that of the University
of Toronto. Mr. Houston will deliver a
series of lectures at Johns Hopkins Uni-
versity on "The Canadian Constitution."

Toronto "Ingen" Fighters.

Wendron, Nov. 20.—Frank Allison and

charged with carrying fire arms. They
were fined \$25 each this morning, but
given 10 days in which to pay up, which
virtually means that they left town as
quickly as possible.
