THERE was not a record-breaking at-tendance at the Hockey Benefit Concert on Wednesday evening. The entertain-ment was good, the singing first-class and impersonations clever. One serious mistake was made. The Company when arranging the program thought that Watford was situated about ten miles south of the spot on which it stands, con-sequently they sprinkled more Scotch in-to it than is relished by those unfamiliar with the dialect. The hockey boys will have a few dollars to the good, however, but not enough to wipe out their little deficit. Better luck next time, boys.
