Good-bye, Mother, Don't Worry!

Good-bye—trusting in God to bring him home to her safely—if that be His will.

Good-bye—trusting in you and me to see his Mother through while he, her natural support and defender, is somewhere in France, facing shot and shell for God, for right, and for native land.

In the name of Christendom, men and women, what sacrifice is this! What consecration to duty! What response to the call of the Motherland! What clarion challenge to the world to "Watch Canada!"

He goes—joy of his Mother's heart—idol of all her dreams from the day she bore him—hope and bulwark of her declining years.

He goes—and, Heaven bless his belief in us, his people, he goes, leaving his most beloved possession to our care and protection.

He trusts us. Who will fail him? What man or woman, rich with the possession of the memory of a Mother, will fail his Mother as a reward for her sacrifice?

This trust of our soldiers is a holy legacy.

Give to the Mothers of our soldiers in the name of your mother—as your testimonial to Canadian Motherhood. Give to the Canadian Patriotic Fund. \$6,000,000 must be raised in Ontario for this Fund for 1917.

Mothers, wives, and children of Canadian soldiers shall never say that their own people neglected them after their men went forward to suffer and to die.

Every case helped by the Patriotic Fund is carefully investigated. Only where assistance is really needed is assistance given. Everything humanly possible is done to avoid waste and prevent imposition.

Give as Your Own Heart Prompts You to the Patriotic Fund

Ontario is being asked to assure the Canadian Patriotic Fund that it can depend on having six million dollars in 1917 for the families of Ontario's soldiers. Four million of these dollars must be secured from individual subscriptions. If there is no Branch of the Fund in your town or county send your subscription direct to the Head Office, Canadian Patriotic Fund, Victoria street, Ottawa.

Illustration Station in Canada

The Department of Agriculture of the Dominion Government is carrying on illustration work in crop production and cultural methods with farmers in the provinces Quebec, Alberta and Saskatchewan.

Farmers owning or operating land favourably situated for the carrying on of such work co-operate with the Department.

The farmer puts under the direction of an officer of the Dominion Experimental Farms System, a part of his farm having a good wide frontage on a well travelled highway, each field having the same frontage along the same highway, so that the crops and cultivation are unavoidably in evidence to the casual travellers and easily inspected by the interested visitor.

The Department of the first year at least, furnishes the seed necessary to sow such of the field as it is decided to put under crop that year. In subsequent years the farmer saves enough of the best of the crop grown on these fields to do the necessary seeding. This, of course, provided the grain produce is satisfactory as to the purity and germinative power.

All cultural and harvesting operations in connection with these fields, i.e., the ploughing harrowing etc., of the field and the sowing, harvesting and threshing of the grain therefrom are done by the farmer. All work indicated above is done in exactly such ways and at exactly such times as directed by the Illustration Station Division of the Dominion Experimental Farms System.

The farmer keeps a record of the amount of time taken to perform the different operations on each field and threshes the grain harvested separately so that it will be known how much is harvested from each field.

The records just mentioned of the work and crops resulting, together with brief notes made each week, are duly entered on blank forms provided for that purpose. The work of making such notes and entering up the work done on each field does entail more than one hour's work a month. Each week the farmer mails to the Central Experimental Farm Ottawa a form filled out with full particulars as to the work done, general weather conditions and crop progress on the different fields. The farmer permits to be placed in front of each field a sign stating briefly the method of preparing the land for the crop growing thereon, or the treatment given the plot that year.

RICH RED BLOOD MEANS GOOD HEALTH

Just a Little More Rich, Red Blood Cures Most Ailments

The lack of sufficient red health-giving blood does not end merely in a pale complexion. It is much more serious. Bloodless people are the tired, languid, run down folk who never have a bit of enjoyment in life. Food does not nourish, there's indigestion, heart palpitation, headache, backache, sometimes fainting spells and always nervousness. If anaemia or bloodlessness be neglected too long a decline is sure to follow. Just a little more blood, cures all these troubles. Just more rich, red blood, then abounding health, vitality and pleasure in life. To make the blood rich, red and pure, use Dr. Williams' Pink Pills. No other medicine increases the pure blood supply so quickly or so surely. The cure actually begins with the first dose, though naturally it is not noticeable. This is not a mere claim. Dr. Williams' Pink Pills have been doing this over and over again in Canada for more than a quarter of a century. This is why thousands have always a good word to say for this great medicine, for instance Mrs. Alex. Gillis, Glenville, N. S., says: "I cannot praise Dr. Williams' Pink Pills too highly. They are really a wonderful medicine. I was very much run down, suffered from frequent dizzy spells, and had an almost constant severe pain in the back. My home work was a source of dread, I felt so weak, and life held but little enjoyment. Then I began taking Dr. Williams' Pink Pills and the result was almost marvellous. They made me feel like a new woman and fully restored my health. I would urge every weak woman to give these pills a fair trial."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
