THE CHEST

Sir Astley Cooper, Bart., M.D. THE EMMENT MEDICAL PRACTITIONER, HAS LEFT A VALUABLE LEGACY TO THE WORLD IN HIS Great Preventative of Consumption, AND

UNFAILING CURE FOR PULMONARY DISEASES, WITHOUT THE USE OF MEDICINE. Sir A. C. Bart. invented and advised the use of this MEDICATED FUR CHEST

PROTECTOR. To all persons of all ages and conditions, as a certain and safe shield against those fearful diseases, Consumption, Bronchitis, Asthma, Coughs, Colds, and other affections of the Lungs, which arise from the exposed state of the chest, according to fashion, and the continual changes of our climate.

The Protector is simply a chemically prepared fur, lined with silk and padded, which, suspended from the neck, covers the chest, in so agreeable a manner, that, once worn, it becomes a necessity and a comfort.

The Protector, although but recently introduced into America, is making rapid progress through the United States, the Canadian, South America, and the West Indies. It has for a long time been a staple article in England and on the Continent of Europe, while it has grown in many countries to the position of an article of dress.

To demonstrate these facts require of any English resident in your vicinity of his knowledge of the beneficial effects of wearing the Protector, without recourse to doctoring of any kind.

The cost of wearing these articles is a mere trifle, and one will last some years. No one who values the health of himself or his family will be without them. The Hospitals in this country are not alone recommending them, but rapidly introducing them. Harcourt, Bradley & Co. of London, and Manchester, England, were originally entrusted with the manufacture of the Protector, by the talented Dr. Cooper, and continue to manufacture according to his original instructions, and therefore recommend those who would wear "The Protector," to see to their being genuine.

REMEMBER THIS IS A STAPLE ARTICLE, and no Patent Medicine. RETAIL PRICES. Gent's Size, \$1.50 each. Ladies' do, 1.00 do. Boys' & Misses do, 75 do.

THE ALL-HEALING REMEDY!!! Holloway's Ointment.

A most astonishing cure of Scrofulous Ulcers—a case, certified by the Mayor of Boston. Copy of a letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY, Dear Sir,—Mrs. Sarah Dixon, of Liquor-pot street, Boston, has this day deposited before me, that for a considerable time she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, dear Sir, your truly, (Signed) J. NOBLE. Dated August 12th, 1852.

An extraordinary and rapid cure of Erysipelas in the leg, after medical aid had failed.

Copy of a letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bignor, Sussex, dated Jan. 12th, 1853. To Professor HOLLOWAY.

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health.

I shall ever speak with the most confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit. I am, Sir, your obliged and faithful servant (Signed) ELIZABETH YEATES.

A dreadfully diseased Ankle cured after being given up by the Faculty at Malta and Portsmouth Hospitals.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King St. Norwich.

Copy of a letter from Captain Smith, of Great Yarmouth, dated January 19, 1853. To Mr. Dixon.

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines.—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ankle, as I after being in the Malta Hospital for six months, was sent to England to be treated at Portsmouth Hospital, where he remained an inmate for four months, there, as at Malta, refusing to have the limb amputated, he was regarded as incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ankle became so much worse that all hope was lost. At this period, by my advice he tried Holloway's Ointment and Pills, which by unobtrusive application, healed all the ulcers, and restored him to perfect health and strength.

I remain, dear Sir, your truly, (Signed) JOHN SMITH. Albert Hotel, Great Yarmouth.

Surprising cure of a bad Breast, Nervous Debility, and general ill health. Copy of a letter from Mr. T. F. Kor, Chemist, &c., Lower Moss Lane, Manchester, dated Feb. 12th, 1853.

To Professor HOLLOWAY, Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. Maria Bell, of Pinstreet, in this town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result, in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain, dear Sir, your faithfully (Signed) T. FORSTER K.
