

BOSTON ADVERTISEMENTS.

Ufford's Smoke Consuming Patent Lamp.

Is warranted to produce, without smoke and with only the poorest quality of oil or grease, at an expense of less than half a cent per hour, a light equal to that of four wax candles. Extremely simple and durable, less injurious to the eyes than any other artificial light, and will prove the truth of these statements.

Price \$1.25, \$3.00, \$7.00.
We have one of the Lamps in use, and are able to conform to the favorable testimony of the Traveller, having found it answering well to what it claimed for it. (Puritan Recorder.)
No person who has ever tried one of the Lamps would be willing to give it for ten times its cost, if it could not be replaced. (New England Farmer.)
Boston, 117 Court Street, head of Southbury.

Cancers Cured without Pain!

FOR this terrible scourge on man a remedy is found, which has never failed to cure when fairly tested. The knife and plaster are both uncertain and painful, when this antidote, charm like, removes all cancerous virus from the system, when the cancer, internal or external, ceases to be. Females are doubly liable to this malady, and should, at its earliest intimation, avail themselves of this remedy. It is but safe to conclude that the number who die annually of this hidden foe, is equal, if not surpassing, those on which it is apparent only on the surface. Calls at a distance will be considered. Apply by letter or otherwise to Dr. S. BRUCE, No. 15, Montgomery Place, Boston.
On hand: Ladies' SKIRT-HOLDERS; Gentlemen's BRACES; CHEST EXPANDERS; also, Trusses and Supporters.
