OHIO YOUNG MAN HEARTLESSLY BREAKS HIS FROMISE TO WED. Toledo, Ohio, Jan. 18.—The aristocratic circles of lower Summitt street experienced a sensation Thursday night, the details of which have just leaked out. A young woman named Mary Hanson was engaged to a young man well known in the city. Thursday was-set for the wedding. The hour arrived and no groom appeared. A messenger was des-patched to his home, and he was found com-placently smoking a cigar in his father's library. He sent back a cruel reply to the young woman and her parents. Miss Hanson went into hysterics. Later on she made two attempts at suicide. Both were frustrated.

The supervision and with the assistance of Mr. and Mrs. Clarke, have managed and cared for the patients in the kindest and most efficient manner, and nothing has been left undone that could add to their health or comfort.

left undone that could add to their health or comfort. The house in every part has been kept clean and tidy, the cooking well done, and the food wholesome and nourishing. Doctor Page has made his regular visits of inspection, and although I had not the plea-sure of seeing him personally, yet I under-stand that he expressed himself as well sat-isfied with the working of the institution. In conclusion, I beg leave to say that I consider our County Asylum is in a most efficient state in every way, well equipped, and under the care of trusty and energetic attendants. Manicopa Elections. Winnipeg, Jan. 15.—The Manitoba elec-tions, which took place to day, resulted in a sweeping victory for the Greenway govern-ment and the advocates of a national school system, as a consequence, are jubilant. Out of a total of 40 seats three went to the op-position, three to patrons and two remain in doubt, the balance going to the government, although many of them were won by very narrow margins. A severe blizard, togeth-er with excessive cold, prevented to a great extent the polling of a larger vots. attendants. All of which is respectfully submitted.
