VICTORIA DAY

Big Attraction at Annapolis and Aylesford

Next Saturday, Victoria Day, is a public holiday throughout Canada and will be suitably observed. At Aylesford there will be the usual races which always attract a big crowd. At Annapolis, as will be seen in our advertising columns, a big celebration will be held under the auspices of the Annapolis and Digby bands. The Mayor and members of Digby's town Council will be guests of the Mayor and Council of Annapolis. The two bands join in one, making a band of 50 instruments under one leader, Bandmaster Yates; the Digby base ball team will join with Annapolis, playing a team from Middleton; the G. W. V. A., of Digby, will join the G. W. V. A., of Annapolis county in a parade at 2 p. m., in which all members from Bridgetown are expected to take part.

There will be something doing every minute and it is said the committee have also arranged a special programme to take place if the day proves stormy. After the parade the two bands will give a concert on the garrison grounds and in the evening a grand concert in the theatre, accompanied by moving pictures. Special trains will leave for Middleton and immediate points, at 7 p. m. and for Digby and all way stations at 11 p. m. Everything is free in the day time but every visitor is expected to wear a tag secured from the band committee. No doubt there will be a large crowd present from Bridgetown and all along the line. We wish those who have the matter in charge every success.

Assist the Home Ball Team

The Bridgetown boys were defeated in Annapolis Saturday afternoon for want of practice. The truth of the matter is for want of a suitable field in which to practice out-fielding, etc. In order to obtain such a field and keep the team up to an efficient standard the club, like all other similar organizations, requires to be properly organized with a good set of officers and have funds in its treasury. A public meeting should be called at once to make the necessary arrangements for the season. The MONITOR will always be found ready to assist in any movement along these lines.

Did This Occur Near Bridgetown?

An old couple had lived together forty years. The man said that he and his wife never agreed but once in all that time, and that was when the house took fire. Both agreed that the best thing to do was to get out as soon as possible.

The war is over but the battle of keen competition has just begun. Be ready for it when it hits down and go after business with that unbeatable combination. The Remington Typewriter and an Edison rotary mimeograph.
