

Demand For Tanlac Breaks All Records

Amazing Success Achieved by Celebrated Medicine Not Only Phenomenal, But Unprecedented—Over 20,000,000 Bottles Sold in Six Years—Foreign Countries Clamor for It.

Never before, perhaps in the history of the drug trade has the demand for a proprietary medicine ever approached the wonderful record that is now being made by Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout this country and Canada. As a matter of fact, the marvelous success achieved by this medicine is not only phenomenal, but unprecedented.

The first bottle of Tanlac to reach the public was sold just a little over six years ago. Its success was immediate and people everywhere were quick to recognize it as a medicine of extraordinary merit. Since that time there have been sold throughout this country and Canada something over Twenty Million (20,000,000) bottles, establishing a record which has probably never been equaled in the history of the drug trade in America.

Fame Is International

The instant and phenomenal success which Tanlac won when it was first introduced has been extended to practically every large city, small town, village and hamlet in North America. Its fame has become international in its scope and England, Japan, Mexico, Cuba, Hawaii, Alaska, Porto Rico and many European countries are clamoring for it.

From coast to coast and from the Great Lakes, Tanlac is known and honored. Millions have taken it with

the most gratifying and astonishing results and have pronounced it the greatest medicine of all time.

Tens of thousands of men and women of all ages in all walks of life, afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse, have testified that they have been fully restored to their normal weight, health and strength by its use.

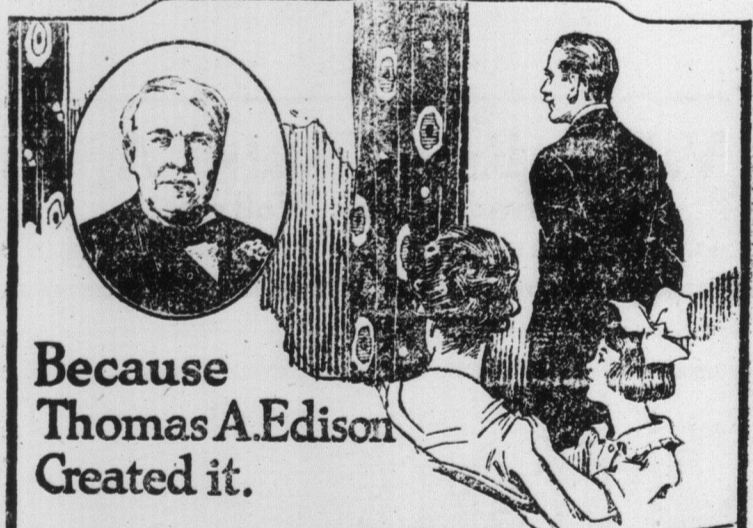

Restored to Health

Still others, who seemed fairly well, yet who suffered with indigestion, headaches, shortness of breath, dizzy spells, sour, gassy stomachs, coated tongues, foulness of breath, constipation, bad complexion, loss of appetite, sleeplessness at night and of terribly dejected, depressed feelings, state that they have been entirely relieved of these distressing symptoms and restored to health and happiness by the use of Tanlac.

Distinctive - Exclusive

IN the higher grade of tea there should be something more in its appeal than merely quality. There should be that distinctive character which separates it from the mass. King Cole Orange Pekoe has a richness of flavor entirely its own. It is the King Cole judgment of what is delicious in a cup of tea.

A Fighting Chance

When a person is seriously ill, suffering from one of the many so-called Dis-eases and apparently has about a fifty-fifty break to recover, he is said to have a FIGHTING CHANCE.

THE NEW DRUGLESS HEALTH SCIENCE OF CHIROPRACTIC offers a FIGHTING CHANCE to every sick man, woman and child. It does not claim to be able to perform miracles, but it does positively locate the CAUSE of the majority of so-called Disease and by the means of CHIROPRACTIC VERTEBRAL ADJUSTMENTS given with the bare hands only, relieves the Nerve Pressure, making it possible for Nature to have full sway.

HEALTH IS NATURAL—DIS-EASE IS UN-NATURAL.

Of course, it is best to take CHIROPRACTIC ADJUSTMENTS at the very first sign of danger, but for several reasons you may not have been in a position to do this. You have been imbued with the idea handed down from generation to generation that when you were sick no one but a Medical Doctor could afford you relief.

BREAK AWAY FROM THAT FALLACY AT ONCE

Realize that no matter what your trouble may be, no matter how dependent you may be, CHIROPRACTIC OFFERS YOU A FIGHTING CHANCE.

Take advantage of that offer now. Let your CHIROPRACTOR make a Spinal Analysis and explain to you HOW and WHY his Science will help you. You will then emerge from the fight a WINNER and will be rewarded by the possession of HEALTH and HAPPINESS.

INVESTIGATE CHIROPRACTIC NOW!
