

Prof. Loisettes's MEMORY

DISCOVERY AND TRAINING METHOD

In spite of adulterated imitations which miss the theory, and practical results of the Original, in spite of the grossest misrepresentations by envious would-be competitors, and in spite of "base attempts to rob" him of the fruit of his labors, (all of which demonstrate the undoubted superiority and popularity of his teaching), Prof. Loisettes's Art of Never Forgetting is recognized to-day in both Hemispheres as marking an Epoch in Memory Culture. His Prospectus (sent post free) gives opinions of people in all parts of the globe who have actually studied his System by correspondence, showing that his System is used *only while being studied, not afterwards*; that any book can be learned in a single reading, *mind-wandering cured, &c.* For Prospectus, Terms and Testimonials address

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint." — Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults." — Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life." — Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever." — Rodney Johnson, Springfield, Ill.
