THE CANADA COMPANY'S PRIZE FOR FLAX.		
Best 112 lbs. of flax, scutched, C. Mitchell, Norval		
2nd do by the Association, J. Rae, Port Stanley	16	
REMARKS OF JUDGES.—It is to be regretted that although there were six entries of flax, there were but two exhibitors. This may be accounted for from the fact that parties fitting up new machinery have not had time to prepare samples, and others are engaged taking off the seed before scutching. Small samples of flax and hemp from the Mills of Messrs. Black & Forrester, St. Marys, were highly commendable. Samples of flax from Ireland, exhibited by Mr. Ledlie, of St. Marys, were well deserving of notice.
