GARDENIA.

The Following are Extracts
FROM TWO LETTERS.

"Your letter of — received, I will take
the car of oil you offer; "Send at once two
Bbls. Gardenia. I have never used such nice
oil before, and as long as I can buy it
you can count on me as a customer; you can
also depend upon it; I prefer to patronize a
business whose success and profit is not de-
pendent upon other's ruin. This is not in my
catechism."

The above speak for themselves and
should be sufficient guarantee of the super-
ior quality of Gardenia. During the past
seven years I have improved the quality of
the oil imported into the provinces at least
fifty per cent., and being a thoroughly prac-
tical man and following my business from A
to Z. I will continue to improve the quality
of the oils imported. I have held the
confidence of my trade almost to a man, and
I refer to them for the superior quality of my
oils and for the treatment they receive. I
keep in stock all kinds of Oils, American and
Canadian, Animal, Vegetable and Mineral,
for which I respectfully solicit orders, which
will be filled at lowest prices consistent with
the quality of the goods I sell.
