

WORK LESS Accomplish More

That is the secret of success nowadays. You have had experience with hired men—you know that many times in order to get anything done right you have to do it yourself. There are too many odd jobs around the farm for you to do them all. There is the sheller, grinder, churn, separator, pump, saw, grindstone, fanning mill, washing machine, and many other machines to operate. You can't do it all. You can, however, if you get an I. H. C. gasoline engine to assist you.

One of these engines will furnish cheap, absolutely reliable power for these and a hundred other jobs. The engine works practically without attention, so that you will be able to accomplish twice as much as formerly and you won't have to work as hard.

That means you are going to make more money out of farming and that is what you are farming for. I. H. C. vertical engines made in 2, 3 and 25-horse power.

Horizontal (portable and stationary) in 4, 6, 8, 10, 12, 15 and 20-horse power.

Gasoline tractors in 10, 12, 15 and 20-horse power.

Famous air-cooled engines in 1 and 2-horse power.

Also, Famous sawing, spraying and pumping outfits. A complete line of Famous self-contained engines mounted on skids or ready for mounting by the purchaser.

Call on International local agent for catalog and particulars or write the home office. Valuable book, "Three Hundred Years of Power Development," sent on request.

Eastern Canadian Branches: London, Montreal, Ottawa, St. John, Hamilton.
