I CURE FITS!

When I say I cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have cured the disease of ST. PHILIP'S or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst case. Because others have failed I do not mean for not now receiving a cure. Send at once for a Treatise and a Free Bottle of my Infallible remedy. FOR THE WEARY

And worn mothers and wives—how many such there are! Not worn with age—few of them have reached middle life—but with exhausting work and worry. For the majority, it is impossible to escape these hard conditions; but the means of successfully facing them are within the reach of every one. To sharpen the appetite, aid digestion, enrich and purify the blood, build up the system, and make the weak strong, Ayer's Sarsaparilla is the best of all medicines. Mary Henrickon, Park street, Ware, Mass., testifies: "For over twelve months I was afflicted with general debility, headache, and loss of appetite, followed by chills. I was scarcely able to drag myself about the house, and no medicine helped me so much as Ayer's Sarsaparilla. Since taking this remedy I have entirely recovered my health and strength."

"I was sick for nine months, and finding the doctors were unable to help me, I commenced taking Ayer's Sarsaparilla and Ayer's Pills. The result has been a rapid and complete restoration of all my bodily powers."—Mrs. Lydia Randal, Morris, W. Va.

"I use Ayer's Sarsaparilla with great satisfaction in my family, and can recommend it to all who have the care of young and delicate children."—Mrs. Joseph McComber, Elton st., near Atlantic ave., Brooklyn, N. Y.
