There are people whose good qualities shine brightest in the darkness, like the rays of the diamond; but there are others whose virtues are only brought out by the light, like the colors of a silk. —Justin McCarthy.

BAD BLOOD CURED.

Gentlemen,—I have used your Burdock Blood Bitters for bad blood and find it, without exception, the best purifying tonic in use. A short time ago two very large and painful boils came on the back of my neck, but B. B. B. completely drove them away.

Samuel Blain, Toronto Junction.

Hard water may be softened by boiling a small vial in a kettle of water. The carbonate of lime will become encrusted on the bottle.

FOREWARNED IS FOREARMED.

Many of the worst attacks of cholera morbus, cramps, dysentery, colic, etc., come suddenly in the night and speedy and prompt means must be used against them. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

A London publisher has undertaken the publication of a newspaper on postal cards. The initial number contains four illustrations, a comic tragedy, a few alleged puns and some advertisements.

STICK TO THE RIGHT.

Right actions spring from right principles. In cases of diarrhoea, dysentery, cramps, colic, summer complaint, cholera morbus, etc., the right remedy is Fowler's Extract of Wild Strawberry,—an unfailing cure—made on the principle that nature's remedies are best. Never travel without it.

In personal appearance Mr. Giffen, the Controller-General of the new Labour Department, is short and stout. He wears spectacles, and speaks in a soft, kindly voice, in which there is little left now of the Scotch accent.

A COMPLICATED CASE.

Dear Sirs,—I was troubled with biliousness, headache and loss of appetite. I could not rest at night, and was very weak; but after using three bottles of B. B. B. my appetite is good and I am better than for years past. I would not now be without B. B. B., and am also giving it to my children.

Mrs. Walter Burns, Mattland, N. S.

The large tunnel between Capri and Acquafredda, on the Pisciotta-Castrocucco Railway has recently been successfully driven. The tunnel, which is three and a half miles long, was commenced about three and a half years ago.

TARIFF REFORM.

Tariff Reform is in the air. The praises of B. B. B. are also heard every where. No other medicine cures all diseases of the stomach, liver, bowels and blood so rapidly and so surely as Burdock Blood Bitters.

The fastest side-wheel steamer in the world is probably the new Belgian mail boat, Leopold II, running between Dover and Ostend. She was built by the Denny Bros., Dumbarton, Scotland, and on her trial trip showed an average speed of 22.16 knots.

FACE AND FIGURE

Show it, if you're a healthy woman. They'll have a beauty of their own, no matter what your features. Perfect health, with its clear skin, rosy cheeks, and bright eyes, is enough to make any woman attractive.

To get perfect health, use faithfully Dr. Pierce's Favorite Prescription. That regulates and promotes all the proper functions of womanhood, improves digestion, enriches the blood, dispels aches and pains, brings refreshing sleep, and restores health, flesh, and strength.

For periodical pains, prolapsus, and other displacements, bearing-down sensations, and "female complaints" generally, it is so effective, that it can be guaranteed. If it doesn't benefit or cure, you have your money back. Is anything that isn't sold in this way likely to be "just as good?"

It were better to have no opinion of God at all than such an opinion as is unworthy of Him; for the one is unbelief, and the other is contumely; and certainly superstition is the reproach of the delirious.—Bacon.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong." —T. D. M., Norcatur, Kans.
