

Wiswell Crushing Mills!

The British American Manufacturing, Mining and Milling Co

Are prepared to furnish the above MILLS at short notice and on reasonable terms.

These Mills have been tested with all the other mills now in use, and are superior in their operation to any other, especially as regards refractory ores. Several tests made with this Mill at Yarmouth show a great saving over the Stamp Mill. Also, in cleaning up, which can be done in from Twenty five to Thirty Minutes. It will perform the work of a 15 Stamp Mill, and do it better.
