THE WRONG TRUSS

or the right truss wrongly fitted are responsible for many failures in treating hernia. If you have a case which is not entirely satisfactory, we think we can aid you with

Seeley's Hard-Rubber Trusses

We think so because we have had 35 years' experience in both making and fitting trusses. We would not now have the largest truss establishment in the world had we not made the right kind of trusses. We have a book on Hernia and Trusses which will give you some idea of our ability and goods. We want to send it to you.
