

## NOTES.

### WEST END DIVISION.

MORE gratifying sight we could not wish than the one granted every Tuesday, at eight p.m., by about forty assembling in our parlor to study the Word of God. There is still room, so come along, "our Father" is full of love, and has loaded his table with the outcome of it, and the only way to ascertain what is His will to us is by consulting His Word—the record of His will—in which we engage at "Our Bible Class." Several have found out that our Kinsman Redeemer is a "Mighty Man of wealth," and that by grace we are "joint heirs" with Him who though He was rich, for our sake became poor, that we through His poverty might be rich. Come along and make a fortune, obtain in Him an *inheritance incorruptible, undefiled, that fadeth not away.*

Our workers' prayer meeting on each Lord's Day at 7. a.m., is a season of rich blessing to those who attend, while individuals which we have made the special subjects of prayer, have recently professed faith in Jesus Christ, others are anxious and more to follow. All Christians in the neighborhood are invited to join us to besiege the throne of grace for a mighty blessing upon this neighborhood. 7 am. each Lord's Day, in Parlor upstairs, 1020 Queen St. West.

The C. L. S. C. meets at 7 p.m. on Tuesday. An Inner Circle meets for the purpose of reading chosen subjects on Monday at 8 p.m.

The choir practices on Thursday at 8 p.m. All desirous of assisting are invited to come.

The week of prayer for young men was duly observed by this branch, as requested by the International Committee, by special services every day from Nov. 11th to 18th inclusive. We had three excellent services on each Lord's Day, and one each evening during the week in the Reading Room, and God blessed the testimony of

Jesus, to the salvation of several men. We have every reason to thank God for the grace given us, for these meetings were conducted and addressed by none but our West End workers. (Except the afternoon meeting of Sunday 18th, which was addressed by our faithful helpers Messrs. Gooderham and Blight).

There was not a vacant spot in the room on Sunday afternoon the 18th and 25th *ult.*, and the deepest religious interest prevailed, the exclamation of all who attend is "*God is doing a great work here.*"

We have by the help of God determined to continue the Sunday evening meeting at 8.30 p.m., in the Reading Room, those already held have been most encouraging. We hope our friends will pray constantly with us and our Great Intersessor for a great blessing on this meeting, and do all in their power to make it a success.

Our tract distributors worked with a will, in fact the clause "For the people had a mind to work," may be applied to them as truly as to those who were builders of the walls of Jerusalem in Nehemiah's days.

The rooms have been well patronized now lately, but we would like *all* to call and see us. One of the city papers in referring to the rooms said that "they present to the visitor a *refreshing picture of cosy comfort.*"

### MONTHLY WORKERS SOCIALS

HAT held on November 1st, was a success in every respect. At that meeting we resolved to observe the week of prayer in fellowship with all other Young Men's Christian Associations in the world, and all our workers did their duty nobly.

Tea was served by the ladies at 6. 30, and the evening conference conducted by Bro. H. J. Brine.

The next will be held on Thursday, Dec. 6. Tea at 6.30 p.m. and workers meeting at 7.30 in Parlor. We hope to have a good attendance. To cover expenses 15 cents each will be collected for tea.
