SOLE AGENTS IN CANADA FOR THE

**EVERFAST STAINLESS HOSIERY****Mercantile Summary.**A FIRM which have been threshing for two  
weeks in various parts of Oxford county, Ont.,  
say that wheat averages thirty bushels to the  
acre there.A FORMER resident of Frelighsburg, Mr. J.  
N. Smith, at present in business at Granby, is  
to open a store at the former place about the  
1st September.THE first load of new wheat was brought  
into St. Thomas on Saturday last to John  
Campbell, miller, from Neil McLean, South-  
wold. It was of the Clossan variety, and  
averaged 60 lbs. to the bushel. Price paid  
was 70c., standard.THE millinery stock of M. Lamont & Co., in  
Toronto, has been sold by auction, also the  
book debts; both were bought, it is understood,  
by a representative of Lamont. On the stock  
of \$3,200 twenty-five per cent. was realized,  
and book debts of \$1,700 sold for 17½ per cent.  
of their face value.THE firm of Williams, Deacon & Co., manu-  
facturers of hats, caps, etc., in this city, are in  
trouble. Something over three years ago Wm.  
Williams began the business. Eighteen  
months since, Deacon was admitted a partner  
with about \$5,000 capital, and it appears that  
their business has not been successful, as they  
have been hard up for some time past, and  
have not worked as harmoniously as was  
desirable. In view of all these circumstances,  
it was thought best to liquidate. This is being  
done quietly by a legal firm in this city. A  
few months ago they claimed a surplus of  
\$6,450, but now creditors are offered 40 per  
cent. on their claims, providing a discharge is  
granted. If this is not complied with they  
must take their chances.**MACABE, ROBERTSON & CO.,**
