**Mercantile Summary.**

We understand that a large lumber dealer in  
Strathroy has been absent for a considerable  
period. His prolonged absence has induced his  
creditors to take initiatory steps to obtain the  
control of his assets.

THE ANNUAL meeting of the National Board  
of Trade of the United States will be held at  
St. Louis, Mo., on the 6th inst., when dele-  
gates from the Boards of Trade of several of  
the principal Canadian cities will be present.

THE IMPORTATIONS of dry goods at Montreal  
for the first ten months of this and last year  
compare thus:—

	1870.	1871.
Woolens.....	\$3,507,519	\$4,420,358
Cottons.....	3,186,245	3,332,547
Silks, &c.....	648,000	904,311

THE BEET sugar manufacture is being brought  
to great perfection in Europe. At first only  
1 to 2 per cent. of sugar was extracted from the  
roots; now 5 to 6 is obtained, and the yield of  
juice has been brought from 55 to 60 up to 75  
to 80 per cent., the residue or pulp being scarcely  
one-fifth of the root. And manufacturers are  
still searching for further improvements. This  
is a legitimate way of rendering manufacturing  
industry prosperous.
