BOOKSIllustrated Catalogue, 132 pages,  
may be had for 4 cents; condensed catalogue, free.ALDEN'S CYCLOPEDIA  
OF UNIVERSAL LITERATURE. Presenting  
Biographical and Critical Notices, and Speci-  
mens from the Writings of Eminent Authors of all  
Ages and all Nations. To be published in parts of  
100 pages each, paper covers, and in volumes of 400  
pages, bound in fine cloth, gilt tops. Price, per  
Part, 15 cents; per Volume, 60 cents. Volumes I., to  
VI., and Volumes I. and II., now ready.The publisher intends that this Cyclopaedia shall be  
a trustworthy guide to what is worth knowing of the  
literature of the world, so far as it is accessible to  
scholars in the English tongue; a treasury of useful  
and entertaining knowledge such as never before has  
been attainable in one work. The work will be com-  
pleted, probably, in about 15 volumes."It is smaller in size than the ordinary cyclopedia--  
a decided advantage, to begin with. It proposes to  
give in convenient and compact form, and at a moderate  
cost, a complete survey of the written literature of  
all ages and of all peoples. Its articles are prepared  
with due care, and its examination shows them to be  
as high in character and its authorship as those  
of standard works of the kind." "Morning Transcript,"  
Boston, Mass."I am strongly impressed with the great intrinsic  
value of the work as a popular educator in a high de-  
partment of learning. The plan is admirable. Com-  
bining as it does personal knowledge of an author  
with specimens of his or her best literary productions,  
gives it an inestimable power for good among the peo-  
ple." - BENSON J. LOSSING, LL. D.
