(When buying a Cyclopædia, why not get the Latest and the Best?)

JOHNSON'S . UNIVERSAL . CYCLOPÆDIA

Is in point of fact The Only New, Scholarly and Up-to-Date Cyclopædia now on the market.

It is complete in Eight Extra Royal Octavo Volumes, contains 7,214 pages of 1,680 words each, or 12,007,520 in all.

CHARLES KENDALL ADAMS, LL.D., Editor in Chief, assisted by Thirty-six Eminent Scholars, including College Presidents, Professors and Government Specialists as Assistant Editors, and a very large corps of contributors, each writing on his own specialty and signing his name to his articles.

"Although having both the Britannica and the American, the concise treatment, up-to-date character and new points of view from which some of the subjects are considered, have induced me to purchase Johnson's Universal Cyclopædia. Indeed, for the great majority, Johnson's, on account of the general compactness of the articles and the presentation of all the more important subjects by leading specialists, up-to-date, is specially adapted to be used."

A. H. MACKAY, LL.D., F.R.S.C.,
Superintendent of Education, Province of Nova Scotia, Halifax

"I feel confident that any piece of work which bears the name of my friend, Dr. Charles Kendall Adams, will have been most carefully, conscientiously and satisfactorily done."

PROF. GOLDWIN SMITH, D.C.L.,
The Grange, Toronto

"I have taken pleasure in recommending it to any one desiring a really good cyclopædia."

JOHN FORREST, D.D., D.C.L.,
President Dalhousie College, Halifax, N.S.

"I think the work the best I have seen for schools and private and professional libraries."

N. BURWASH, LL.D.,
Chancellor Victoria University, Toronto.

"The names of the writers of the articles and of the general editor is sufficient warrant for the character of the book."

JAMES BAIN,
Chief Librarian Public Library, Toronto

"I have come to the opinion that, as a practical compendium for either the business man or the general student, the book has no equal."

J. M. HARPER, Ph.D.,
Inspector of Superior Schools, Quebec

"I consider it the best all round cyclopædia in our language."
