

PART IV (Reporting)

When you sign this application it is understood that should your application be approved:

- a) you will produce a report at the end of the proposed activity on the fulfilment of objectives and results in terms of joint collaborative projects;
- b) Use of the Going Global contribution will cover a maximum of two-thirds of the total cost of the project for eligible expenses indicated cited in the agreement that may be concluded between you and FAIT if your application be accepted.

PART V (REIMBURSEMENT)

To obtain your reimbursement of the portion covered by the Going Global contribution in a timely fashion, it is important that you submit a clear account of all your expenses, supported by original receipts or invoices, for each day. You will be reimbursed only those expenses identified as eligible in your agreement with Foreign Affairs and International Trade.
