

Article 8
Restricting the availability and use in sport of prohibited substances and methods

1. States Parties shall, where appropriate, adopt measures to restrict the availability of prohibited substances and methods in order to restrict their use in sport by athletes, unless the use is based upon a therapeutic use exemption. These include measures against trafficking to athletes and, to this end, measures to control production, movement, importation, distribution and sale.
2. States Parties shall adopt, or encourage, where appropriate, the relevant entities within their jurisdictions to adopt measures to prevent and to restrict the use and possession of prohibited substances and methods by athletes in sport, unless the use is based upon a therapeutic use exemption.
3. No measures taken pursuant to this Convention will impede the availability for legitimate purposes of substances and methods otherwise prohibited or controlled in sport.

Article 9
Measures against athlete support personnel

States Parties shall themselves take measures or encourage sports organizations and anti-doping organizations to adopt measures, including sanctions or penalties, aimed at athlete support personnel who commit an anti-doping rule violation or other offence connected with doping in sport.

Article 10
Nutritional supplements

States Parties, where appropriate, shall encourage producers and distributors of nutritional supplements to establish best practices in the marketing and distribution of nutritional supplements, including information regarding their analytic composition and quality assurance.
