

*Proceedings on Adjournment Motion*

into one of the major cities of the world, it has become a matter of paramount importance that such recreational facilities as it offers and its aesthetic qualities be preserved.

The Department of Energy, Mines and Resources has had under consideration for some time the various methods by which a

review of the decision to permit the flooding can be achieved, and it is expected that a decision as to the steps proposed by the government will be announced in the very near future.

At 10.20 p.m. the House adjourned, without question put, pursuant to Standing Order.
