

**Senator Corbin:** Senator Beaudoin obviously misinterpreted my comments when he referred to remonstrations.

That was not my intent. I was merely asking for information. I just want to know why you want to proceed the way you suggested. That is all.

I am certainly not criticizing your committee, but I may add that the Special Committee on Euthanasia and Assisted Suicide also sat for a long time, even late at night. In fact, you sat on both committees.

**Senator Beaudoin:** It was quite an experience.

**The Hon. the Speaker:** Honourable senators, is it your pleasure to adopt the motion as amended?

**Hon. Senators:** Agreed.

Motion agreed to, as amended.

The Senate adjourned until Wednesday, July 12, 1995, at 1:30 p.m.
