

# Take First From Birds 2-1---Shaw Injured and Out of the Game

## HEARNE WINS ANOTHER BATTLE DUNN'S ORIOLES ARE THE VICTIMS

Shaw Is Latest to Join the Hospital List—Will Be Out of the Game For Month—Leafs Always in Front.

The Leafs came thru with a 2 to 1 win over John Dunn and his flock of Baltimore Orioles yesterday in the first game of the series, but it was a dearly bought victory. Al Shaw, the Leafs' good centerfielder, was hurt, and will be on the hospital list for the next five or six weeks. Shaw has been playing the best ball of his career this spring, and his injury comes at a real bad time. Shaw collided with Ben Houser at first when running out an infield hit and turned over on his ankle. He had to be carried off the field.

Danforth, the star left hander of the Dunn outfit, was trotted out at the last minute, and the Kelley clan got to him early in the fixture for two counters, and it proved enough to win. Danforth was benched in the eighth to a pinch hitter bat for him and Johnson finished.

It was a close thing, though, with the Leafs having the edge. Benny Hearne, who had been playing the best ball of his career this spring, and his injury comes at a real bad time. Hearne had the Birds eating out of his hand throat, and it was only in the last inning that he could get across the plate. He started off badly by letting Mabel get on free. Cooper laid down a bunt that stuck in the mud, and he was on first when Benny dug it out. A sacrifice sent the two base warmers up a peg. Hearne put on the screws and fanned Corcoran, batting in the clean-up spot.

The Toronto heaver kept things going to suit himself right up until the ninth, and the Dunn Crew never looked dangerous. After Downey had been disposed of in the last round Hearne issued his second charity to Corcoran. Houser rolled out, but Payne dropped a hit over second that scored Mickey. Twombly batted for Gleichen and popped to Holly.

The Kelley boys were away flying when Downey bobbled Fitz's roller. O'Hara forced Fitz at the middle station and Bradley lifted to short. Right. O'Hara was safe at the halfway stop on an attempted steal when Mabel dropped Egan's perfect throw. Jordan waited for four wide ones, and then Hub Northern fangled to left, and O'Hara scored. Graham grounded out.

The third looked like a peck of trouble.

for Danforth, the pitcher got thru without a run being scored against him. It was after Fitz rolled out that O'Hara started off the doings with a single thru the box a mile a minute. Bradley swung at one and the ball bounced in front of the plate. He beat the throw to first. Jordan drove one over first that looked like a home run. Egan came in fast and grabbed it right off his shoes and nearly had Bradley at first for a double play. Every bag was occupied when Northern beat out his slow roller to short. Graham forced Northern at second and the nothing doing sign was hung up.

The local crew came across with their second and last run of the game in the fourth. Shaw rolled to second and was safe, but collided with Houser and had to be carried off the field, suffering from an injury to his ankle. Trout was sent in to run for Shaw and came home with the counter when Holly moved him up a base by beating out another infield hit. Hearne did the sacrifice. Fitz's long fly to left gave Trout lots of time to tally. O'Hara walked, and Bradley rolled out.

Trout finished the game in centerfield.

NEW YORK, May 16.—Hard hitting by the home team and loose fielding by Pittsburgh gave New York today's game, 7 to 4, a victory. The Pirates were badly out of sync in the first two innings, and were handicapped by miserable support. The local players played the game behind Mathewson, who pitched well until the eighth, when the Pirates started the inning with six consecutive hits. Fletcher's playing was the feature of the game. He made four singles and got to first on an error once.

NEW YORK, May 16.—Pitcher Joe Benz of the Chicago American League team held the New York Yankees at bay today, allowing the visitors but three scattered hits, while Chicago batted McConnell opportunely and won the second game of the series, 7 to 0. This is the 18th scoreless inning pitched by Benz, who pitched well in the pinches, either fanning or forcing the batsman to pop out. Score:

## NO BONES BROKEN SAY THE DOCTORS

Shaw Has a Badly Wrenched Ankle and Will Be Out of Game For a Month.

The doctors at St. Michael's Hospital failed to find any broken bones in Al Shaw's ankle, but say that he will be unable to play for at least four weeks. All the ligaments are wrenched and the ankle is badly strained. He will be kept at the hospital for the next couple of weeks, and perfect rest is the only thing to mend the injured member.

It was a right ankle that got the twist, and if it mended in proper fashion it will not slow up the fast centre-fielder. Shaw was sitting in a box at the park when the accident happened, and accompanied her husband to the hospital. She will stay with him until he is fully recovered.

Harry Bemis will be Shaw's room-mate a little time to come. Bemis still has his knee in a plaster cast, and the doctors are unable to say when it will be removed. Shultz left the hospital yesterday on crutches and will not be able to get back into harness for another week at least. It never rains but it pours.
