# DYING FROM GALL-STONES

Doctors Said Only an Operation Could Save His Life—"Fruit-a-tives" Enabled Him to Pass Nearly 200 Gall-Stones.

J. B. HARDING, Esq.

46 Grove Ave., Toronto, Ont., Jan. 10th, 1913.  
I suffered untold agony from GALL-STONES for the past three years and tried many doctors without getting relief. I also paid \$5.00 for one bottle of medicine which was useless. At times the pain from these gall-stones was so great that I lost consciousness, and my condition was desperate. I was quite satisfied that I was dying and the doctors said I must be operated upon.

"During one of these very severe, acute attacks, I was given some 'FRUIT-A-TIVES,' and after taking a short treatment of this remedy, I passed gall-stones over an inch in length, and as many as one hundred and fifty or two hundred in number. 'FRUIT-A-TIVES' was the only thing that would relieve my pain. They are the greatest medicine in the world, and if there is anyone in Canada, or anywhere else, that suffers from gall-stones, I say, 'Let them take 'Fruit-a-tives' and be cured.'"

"If this testimonial will further the good work of 'Fruit-a-tives,' published with my full authority."  
J. B. HARDING.

Are you wondering how 'Fruit-a-tives'—a medicine made from fruit juices, can cure Gall-stones? We will tell you. The Gall bladder is the reservoir for holding the Gall, or bile, secreted by the liver. If there is insufficient bile, then the bile in the Gall bladder is thick and easily forms stones. When the liver is weak, it secretes very little bile and then the Gall bladder is partially filled with a thick, jelly-like mass of bile and thus forms into lumps or stones. 'Fruit-a-tives' stimulates the liver to secrete more bile, and this increased bile softens the Gall-stones and by overfilling the Gall bladder, forces the passage of the stones through the Gall duct—and thus cures the disease.

"Fruit-a-tives" is the only medicine in the world made of fruit juices. By a wonderful process, the medicinal properties of certain fruits are greatly intensified—then valuable tonics and antiseptics are added and the whole made into the pleasant, tasting tablets, known in every section of Canada as 'Fruit-a-tives.'"

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent on receipt of price by Fruit-a-tives, Limited, Ottawa.
