### RENTS SHRINKING SCHOOL FIELD DAY AT WESTON FAIR

Over a Thousand Children Twenty-Seven Dollar House Took Part in Various Contests.

### WEATHER WAS IDEAL

Horse Races and Cattle Judging Today - Special Attractions.

Ideal weather marked the opening of the fall fair of the Weston, York

A peculiar instance of the way rents are being cut this fall in the east end occurred this week in the Greenwood avenue and Gerrard street district. A tenant moved out of a house that has been renting for twenty-seven dollars per month. As it did not rent immediately the landlord finally redecorated it thruout, but without result. Finally he cut the rent down to twenty dollars, and a tenant across the street moved into it. This left another twenty-seven-dollar house vacant, and the other landlord was compelled to cut his rent, only to find another tenant on the same street taking advantage of the low rent. This has occurred four times on the same street, and at the present time there is a twenty-seven-dollar-a-month house vacant.

Business Satisfactory.

"Business is below normal this fall, but under the circumstances it is very satisfactory." said a Riverdale banker. summing up the business situation. "People now realize that the war may be long, and that there is no use of trying to outscare it. They have adopted the sensible plan of working away as usual. There has been no big demand for gold, and savings accounts have not been taken advantage of to any great extent. Hard times are purely mythical to a certain extent. I believe all that is necessary is a little care in the outlay of funds."

The motortruck that was promised the Bolton avenue fire department has not arrived yet, altho the department announced that it would arrive in a few Cays, three weeks ago. The truck is badly needed, as this section is rapidly becoming congested and a rapid fire service is a necessity.

With the opening of the Woodbine today a great number of horses have been brought there, and even outside stabling is now at a premium. Scores of adventurers who visit all the race meetings in the country are in town looking for victims, but the police are wide awake and suspects are being sent away for a week. the fall fair of the Weston, York

Etobicoke Agricultural Society yesterday, and the president, G. W. Verral, and the directors express themselves as entirely gratified with the success of the "Special Field Day for Schools," the whole of yesterday being devoted to competitions and sports between the different schools of the county, held on the fair grounds, on the bank of the Humber.

Ten schools, principally from the Townships of Etobicoke and York, and the Villages of New Toronto, Mimico and Weston, were represented, and 1319 school children, coming by special cars, formed up at the Weston Public School grounds on King street to march to the fair ground, making an imposing and picturesque procession, which, on arrival, extended almost entirely round the new half-mile track on the ground. Several hundred children not attached to the procession also attended and took part in an extended program of competitions, races and games, for all of which valuable prizes were awarded.

Liewellyn Rees, superintendent of mu-

able prizes were awarded.

Singing Improved.

Liewellyn Rees, superintendent of music for the Toronto Public Schools, acted as judge in the singing contest, and in giving some helpful criticism, congratulated the schools on a remarkable improvement over last year. The Strathcona physical drill competition was carried out under the direction of A. L. Campbell, public school inspector for South York, and the awards were adjudged by Sergeant Hornbeck of the Royal Canadian Regiment.

The school contests resulted as follows:

H. DORLAND, ESQ.

Bronte, Ont., Oct. 31, 1913. "For about 40 years I was troubled with Lame Back brought on by Kidley and Bladder Trouble. I was never confined to my bed with the trouble, but t affected my spine and I had to rest for a time. I took advertised remedies that did not do me any good. I saw 'Fruit-a-tives' advertised and decided to try them. They did me more good than any other remedy. I would advise anyone suffering from Kidney or Bladder Trouble to use 'Fruit-a-tives.'"

H. DORLAND "Fruit-a-tives" acts directly on the kidneys and bladder, relieving inflammation and stopping the pain. But it does more. It prevents the formation of an excess of uric acid, by restoring the Kidneys, Bowels and Skin to healthy action. When these three great eliminating organs of the body are working in harmony there can be no uric acid to poison the blood and irritate the nerves, "Fruit-a-tives" sweetens the stomach, regulates the bowels, clears the skin and cures every trace of Backache, Kidney Trouble, Rheumatism, Sciatica, Lumbago, Neuralgia and Chronic Headache.
