

WORLD'S FAIR ANNOUNCEMENT

of the

DEXTER FOLDING MACHINES

Machinery Hall-Annex,
Column S, 41.

In advocating the sale of any kind of machinery, no fairer proposition can be made than that of inviting an actual comparison with competing machines.

The World's Columbian Exposition offers just this opportunity, and should be made the most of by those contemplating the purchase of folding machinery. We have seven machines in actual operation; among them one of our

Rapid Drop Roll Book Folding Machines.

In this machine we

Register the Sheets by an Automatic Electrical Attachment,

which gives absolute register at high speed.

A most careful investigation of these machines is requested. We are giving special attention to the development of modern labor-saving Paper Folding Machinery. Write for printed matter.
