TRYING TO RECONCILE TOLSTOI AND THE CHURCH

Czar Wishes That Reformer Be Given Orthodox Burial Even If He Does Not Make Peace.

ST. PETERSBURG, Nov. 18.—Emperor Nicholas to-day had an audience with the procurator of the holy synod, M. Lukianoff, to whom he expressed the wish that Count Tolstoi be buried according to the orthodox rite, even if a reconciliation between the author and the church were not effected.

The holy synod has been discussing the question of rescinding the old decree of excommunication against Tolstoi. Premier Stolypin is urging the synod to lose no time in deciding the question one way or another. He points out the consequence of refusing Christian burial in some form.

The repudiation of his error on Tolstoi's part, however, is absolutely necessary before the synod can go against the canon law regarding excommunication. It is believed that the Bishop of Tamboff has gone to Astapova to ascertain the views on this point of Tolstoi, either from himself or his immediate friends.

The text of the telegram from the Metropolitan Antonius is as follows:

"Since the very first moment of your rupture with the church I incessantly prayed, and I pray now that God may restore you to the church. Possibly He is soon to summon you to the judgment seat. I implore you in your sickness now to reconcile yourself with the church and the orthodox Russian people. May God bless you."

Count Tcherkoff and the other attendants decided not to submit the telegram to Tolstoi in his present condition.

It was learned that Tolstoi's condition was practically unchanged this afternoon. Four physicians are making constant efforts to aid the heart, the weakness of which is the source of the chief danger. Other symptoms are said to be encouraging. The fever has disappeared, and the inflammation of the lungs has made slight progress since yesterday.

The novelist remains conscious, and altho extremely weak, is cheerful and confident of ultimate recovery.

COUNTIES BUY TOLL ROAD.

BROCKVILLE, Nov. 18.—(Special.)—The purchase of that portion of the Lowell Plank Road Company's road between here and Lyn was completed to-day, and the property is now owned by the counties to become a part of their good roads system.

It has been decided to abolish the two toll gates on Dec. 14.

Domestics Arrested.

Ada Pym, 66 Wolseley-st., was arrested charged with theft of goods from Alfred Nichols, at whose house she worked as a domestic.

Ruby Sones, a domestic, living at 1 Beverley-st., went to work at 39 Gould st. Thursday. She left promptly with two rings, one the property of Fanny Rose, and one of David King. She was arrested yesterday and the property recovered by Detective Guthrie.

Boy Hurt Playing Football.

Ernest Hunter, 44 First-ave., a boy, 15 years of age, was playing football in a lane off Wellesley, near Sackville-st. last night. He slipped while kicking the ball and fell, striking his head. He was rendered unconscious and was taken home in the police ambulance.

Last Night's Fires.

Fire from an overheated stove in the dwelling of William Brass at 14 Elizabeth-street at 8.29 last night damaged the premises to the extent of $130. Two frame sheds, in rear of 602 and 604 Parliament-street, occupied by J. A. Currie, 37 Delisle-street, were damaged to the extent of $225 by fire of unknown origin at 6.55. The loss is covered by insurance in both cases.

Crimean Veteran Dead.

COBOURG, Nov. 18.—(Special.)—Peter Mulvaney, aged 98, died to-day in the House of Refuge. He was a Crimean veteran and fought with the 9th Regiment of Foot at Alma, Balaclava and Sebastopol, where he was badly wounded in the head and thigh. He received several medals and a pension of a shilling and three pence a day. He will be buried on Monday with military honors from his own home.

You Can See How it Heals

No Question or Doubt as to the Healing Power of

Dr. Chase's Ointment

To people who have used internal treatment in an effort to cure eczema, it is almost beyond belief what benefit can be obtained by a few applications of this soothing, healing ointment.

It is seldom that the cause of eczema can be determined, but one thing is certain, the itching must be stopped and the sores healed up.

These results are secured by the use of Dr. A. W. Chase's Ointment. The itching is relieved almost instantly, and you will be surprised at the healing which will take place overnight.

A little patience and persistent treatment with Dr. Chase's Ointment will give you more practical and definite results than a whole lot of dosing with internal medicines. You can see how the Ointment heals. The other is guesswork.

Mr. Geo. Peterson, South Bay, Ont., writes: "I wish to communicate to you the great benefit I received from using Dr. A. W. Chase's Ointment. For years I suffered with a great skin disease on my head, a sort of eczema. I tried four doctors, giving each a fair trial, but got no better. In fact, the disease spread to my left arm.

"I saw Dr. Chase's Ointment advertised and began using it. Persistent use of this treatment has entirely cured me, and I give you a statement of my case with pleasure, as I hope thereby to induce some other sufferer to try the same Dr. Chase's Ointment."

Because this ointment has made its world-wide reputation by curing the most severe and long-standing cases of eczema and piles is no reason why you should overlook its scores of uses in the relief of itching and irritation of the skin.

Dr. A. W. Chase's Ointment, 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

CANADA'S NATIONAL ANNUAL

WOMEN DOCTORS IN INDIA

An Address on the Subject to Be Given Next Week.

There are in India one hundred and fifty million women who are dependent on women physicians for any skilled treatment in sickness, yet there is in all India only one medical school for women.

Those interested in the physical well being of the women in India will be glad to hear of a medical school for women where the professional and hospital staff are all qualified medical women, and the patients are women and children. In the City of Ludhiana in the Punjab district, in the northwest of India, is the only medical school for women only in all India. It was opened in 1894. It is recognized by the British Government as a school of medicine, its students being admitted to the examinations of the government schools on the same terms as the men.

Besides medical students of whom twenty-seven are now in residence, nurses, dispensers and midwives are received for training. Students come from all parts of India and eight different languages are spoken. Lectures are given in English, as that is the only language which all the students know.

The Toronto Auxiliary of the North India School of Medicine for women holds it second annual meeting on Tuesday afternoon, Nov. 22, at 3 o'clock in the parlors of the Young Women's Christian Association, in Elm-street. Dr. Mary Riggs Noble, for many years principal of the school, will give an account of the work. All women interested in woman's work for woman, are cordially invited.

LANDRY WANTS TO KNOW

All About the Militia Guard at the Eucharistic Parade.

OTTAWA, Nov. 18.—The expected discussion in parliament upon the Eucharistic Congress, and especially the participation therein of the militia, will apparently take place first in the senate. Curiously enough the question will be raised by Senator Landry, probably the most ultramontane of any leader in the Conservative party, and he will demand the production of all decisions rendered by the militia council and of all correspondence concerning the guard and escort of honor applied for in August and September last on the occasion of the visit in Quebec and Montreal of his eminence Cardinal Vannutelli.

Bad Fire at Flesherton.

FLESHERTON, Nov. 18.—Flesherton was visited by a conflagration this morning which did about $13,500 damage, and wiped out one of the main business blocks in the place. The chief losses were: W. Buskin, block, including grocery, postoffice, insurance, and commission merchant offices, barber shop and large warehouse; value $10,000; insurance $3600; John Sproule, boarding house and barn, value $1500, no insurance; O. W. Phillips, barn and damage to household goods, $800; fully insured. R. J. Sproule, personal effects, $500; no insurance; Thomas Fisher, barber shop, loss $150; Mrs. Hastie, keeper of boarding house, damage to household goods $400; insurance $350; W. M. Trimble, postoffice fittings, $150; M. Scully and Company, office fixtures, $50. The fire was discovered at 2 a.m.

Municipal Bridges.

At the Engineers' Club R. E. W. Hagarty of the faculty of applied science gave a lecture on "Municipal Bridges of Europe." He showed some 60 views of bridges he had visited in London, Paris, Switzerland, Germany and Holland, and contrasted them with those of America, as to artistic and historical effect. The use of the arch type was dwelt on, and the fact that London has fewer bridges than Paris because of better regulated traffic.

$100,000 CASH FOR HIS VOTE

'Twas Offered State Senator by a "Little Black Man."

NEW YORK, Nov. 18.—A "little black man" made an unexpected appearance before the legislative graft investigation committee to-day. According to State Senator Eugene Travis, he offered him $100,000 in cash for his vote against the anti-race track gambling bills when those measures were pending before the state legislature. Similar offers, according to Travis, were made to Senator Fuller, a Democrat of Brooklyn, and to Senators Carpenter of Westchester and Gates of Madison, Republicans.

This was the second specific allegation of an attempt at bribery developed at the investigation since the existence of a $500,000 "slush fund" was alleged. Travis could not name the man who made the offer. He did describe him as a "small, dark-complexioned individual with a dark moustache," but could not identify him further. The individual, Travis said, had been about the capitol in Albany for a couple of years, and had talked to him a number of times, but he had never learned who he was.

That the "little black man" was qualified to promise money and that his promises would be paid, was vouched for "over the telephone by former State Senator Gardner," was sworn to by Travis. Gardner is now under indictment for bribery in having offered Senator Otto G. Foelker money to vote against the bills.

BODY IN TRUNK EIGHT YEARS

And Surgeons Say That Indications Are of Murder.

NEW YORK, Nov. 18.—An autopsy to-day established the male sex of a body found in a trunk in a West 54th-street tenement late last night. The left lung showed evidence of a hemorrhage, which probably resulted from asphyxiation.

Dr. Lehane and Prof. McAllister both declare that the body was placed in the trunk while the victim was still alive, but undoubtedly unconscious.

Altho the corpse, it is believed, had been in the trunk eight years, the murderer's precaution in placing it in a hermetically sealed case of zinc and plaster of paris resulted in its preservation so as to make the determination of sex comparatively easy.

The Australian Cabinet is considering a direct Canadian service, independent of New Zealand.
