## TRUSTEE CALLS WORK ON SEWER "DIRTY JOB"

Lively Board of Education Meeting, When Building Superintendent is Criticized.

in the history of the board of education was held last night at the ad-

count of \$300 for work performed. Trustee Thompson vainly attempted to secure a seconder for a motion that the money be withheld until after an investigation of a report that the work had been sub-let by H. W. Dancy to

sonal attack in this connection, as the work was fully checked up by C. J. Doughty of the building department, and it was immaterial whether H. W. Dancy was using a foreman or subcontractor to oversee the work.

Trustee C. A. B. Brown said Trustee Thompson would never again be elected to the board. He only got in last January by creeping in under the canvas owing to W. Houston being disqualified thru living out of the ward. Dr. Hunter gave notice of motion in favor of an application for the

necessary legislation to provide for the payment of members of the board of education of not less than \$400 for trustees, \$600 for chairmen of standing committees, and \$800 for the chairan of the board. The notice of mo-

Against Tammany Methods.
Additional amusement was afforded when Dr. Hunter also gave notice of a motion requesting "the chairman of the property committee to prepare a special report why any members of this board, individually or in packs, should resort to so-called Tammany methods to secure future chairman ships. Second: Furnish the names of any of its members exploiting these positions. Third: Of these office expositions. Third: Of these office expositions. Third: Of these office expositions after the same and western provinces and the same and the second that a call was issued for the convention to the members of the Baptist the Central Y.M.C.A., College street, entertained the girls of the Sherbourne House Club in return for courtesies and news fired the gallant father to a determined effort to get to Flanders. Returning to Canada late in 1917, were played in the symmastum, a short musical program also being given. The patronesses were Messisued a call for the convention to be held in the third week in January.

J. N. Shenstone, president, and Rev.

C. E. MacLeod secretary, have just issued a call for the convention to be held in the third week in January.

M. Fisher, S. L. Frawley, J. G. Mitchener and Miss J. McKim.

Appeals against decisions of the Sherbourne the size of the Sherbourne determined the girls of the Sherbourne the second the size of the Sherbourne association that a call was issued for convention to the convention to the convention to be held in the third week in January.

C. A. B. Brown, chairman of the finance committee announced that the insurance on the Central Technical School would be renewed at \$450 for three years in \$1,000,000 if authorized.

Numerous complaints received by the Toronto Humane Society of the ill treatment of horses have led them to issue cards of advice to be handed

## The Beak and the Bottle:

Mike Jowohorski was yesterday city solicitor, fined \$500 for having 20 gallons in his "Well," retorted the professor, "geopossession at 313 Royce avenue. As a matter of fact he was driving two barrels in a buggy past the Lambton Hotel when arrested by P. C. Baker.

In answer to James Bain witness "I have the greatest sympathy for the man who is caught with a bottle which he intends to use himself," said Major Brunton, "but any one who goes into business wholesale should be punished." Prisoner stated that a certain Pelock owned the load Pelock is re-Pelock owned the load. Pelock is remanded until Tuesday!

## ACHES AND PAINS QUICKLY RELIEVED

You'll find Sloan's Liniment softens the severe rheumatic ache

Put it on freely. Don't rub it in. Just let if penetrate naturally. What a sense of soothing relief soon follows! External aches, stiffness, soreness, muscles, strained sinews, back "cricks"-those ailments can't fight off the relieving qualities of Sloan's Liniment. Cléan, convenient, economical. Made in Canada. ## FIREARMS ILLEGALLY COMPLETE AFFILIATION OF SOLDIER SOCIETIES

-Employers Profiting From Pensions.

Complete co-operation and centralization of effort on matters affecting the welfare of soldiers and their dependents, both of this and previous wars, was decided on at a meeting of last night of representatives of the H Army Club and the G.W.V.A. was resolved that the meetings of this central body be held monthly, Objection was taken to the practice of some employers of labor who seek

to profit by offering pensioners wages less the amount of pension received from the government, and legislation will be sought to prevent the growth of a system which gives an employer which she said were inflicted by the benefit of pension awarded em-brutality of her husband. Benson was ployes as a result of military service. The various employers' associations

the soldiers' civil re-establishment department and the soldiers' aid commission will be urged to hold a joint conference at some early date to take into consideration the provision employment for discharged soldiers, both during and after the period of demobilization. The authorities will be approached

with the view of having them issue the active service button as issued by the Dominion Government, with the substitution of the letters "B.E.F." to all returned imperial reservists, soldiers or sailors who were resident in Canada prior to the war, providing they have qualified by service in the zone of active operations. The co-operation of the various

ratepayers' associations will be requested in approaching the city council to amend the resolution passed by them in regard to civil insurance of the loss of soldiers so as to include all soldiers who did not come under the M.S.A. Many men not subject to the M.S.A. have voluntarily enlisted since the act came into operation. Under the present city insurance by-law their dependents are excluded from the benefits of the city insur-
