

Sparkling Water ("SPARKS") is ideally purifying water charged with purified carbonic gas. Its constant use as a beverage will surely give you a better digestion, a stronger stomach, and healthier blood. No water you ever drank is so quick so refreshing, so zealous, so wholesome.

York Sparks quite lacks the salty taste common to imported charged waters; it does not change flavor in the slightest when mixed with spirits, but improves their taste while diluting their strength.

Order at a good place, in quarts, pints and splits.

WILLS ALL TO BABY NIECE.

And Brother Gets Nothing—Edward McCormick's Heir.

The day he died Edward McCormick, retired hotelkeeper, pencilled the following will on a sheet of notepaper:

"Toronto, Ontario.
In case I should die to-night, I will give my money to my little niece, Miss Annie McCormick, and she is not to get the money until she is twenty-five years of age, and then she is not to have all my possessions, and nobody has got no interest at all and it belongs to her."
"E. J. McCormick."

"Witnesses:
"MRS. DAVIS.
"CARL DAVIS.

"P.S.—This cancels all other wills I ever made, and my brother don't get a cent."
The Trusts and Guarantee Co. have filed the will. The estate totals \$15,000, and is all in personality. It consists of \$4,476 in cash, \$1,500 in bonds, \$768.50 in mortgages, \$600 in insurance, and \$300 in stocks.

It seems that on the day of his death he won't get a cent of Mrs. Davis, a next door neighbor of Peter McCormick, brother of the deceased, asked for a piece of paper, he requested Mrs. Davis's son Carl to write the will. On McCormick's death the will was given by Davis to Peter McCormick, and then turned over to his uncle, Peter Ryan, registrar. Annie McCormick, the heiress, is the four-year-old daughter of Peter McCormick.

The estate of Wm. H. Bakins, 12 Madison-avenue, totals \$105,310.05, including household goods, \$1244; mortgages, \$90,499; stocks, \$6877; cash, \$290.05.

Bequests of \$100 each are made to the Home for Incurables, the Infants' Home and Infirmary, and the Upper Canada Bible Society.

His heirs are his widow, his only son, W. G. Bakins, and legacies are left to two sisters, a brother and a sister-in-law.

The estate of the late George B. Frost totals \$360,61, and is divided among deceased's three sons and three daughters, all of Toronto.

Charcoal Kills Bad Breath.

Bad Odor of Indigestion, Smoking, Drinking or Eating Can Be Instantly Stopped.

Sample Package Mailed Free.

Other people notice your bad breath where you would not notice it at all. It is nauseating to other people to stand before them, and while you are talking, give them a white or two of your bad breath. It usually comes from food fermenting on your stomach. Sometimes you have it in the morning, that awful sour, bilious, bad breath. You can stop that at once by swallowing one or two of these Charcoal Lozenges, the most powerful gas and odor absorbers ever prepared.

Sometimes your meals will reveal themselves in your breath to those who talk with you. "You've had onions," or "You've been eating cabbage," or "You've got gas in your stomach," or "That awful sour, bilious, bad breath." You can stop that at once by swallowing one or two of these Charcoal Lozenges, the most powerful gas and odor absorbers ever prepared.

Don't use breath perfume. They never conceal the odor, and never absorb the gas that causes the odor. Besides the very fact of using them reveals the reason for their use. Stuart's Charcoal Lozenges, in the first place, stop for good all sour, brassy and belching of gas, and your breath is pure, fresh and sweet, just after you've eaten. Then, no one will turn his face away from you when you breathe or talk; your breath will be pure and fresh, and besides your food will taste so much better to you at your next meal. Just try it.

Charcoal does other wonderful things, too. It carries away from your stomach and intestines all the impurities, massed together, and which causes the bad breath. Charcoal is a purifier as well as an absorbent.

Charcoal is now by far the best, most easy and mild laxative known. A whole boxful will do no harm. In fact, the more you take, the better. Stuart's Charcoal Lozenges are made of pure willow charcoal, and mixed with just a faint flavor of honey to make them palatable for you, but not too sweet. You just chew them like candy. They are absolutely harmless.

Get a new, pure, sweet-breath, freshen your stomach for your next meal, and keep the intestines in good working order. These two things are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. We want you to test these little wonder-workers yourself before you buy them. So send us your full name and address for a free sample of Stuart's Charcoal Lozenges. Then, after you have tried the sample, and been convinced to your drugist and get a 25c box of them. You'll feel better all over, more comfortable and "cleaner" inside.

Send us your name and address to-day, and we will at once send you a sample package, free. Address: F. A. Stuart Co., 50 Stuart Building, Marshall, Mich.

SOUTH AFRICAN MEMORIAL.

The Heroic Figure of "Canada" Now Completed by Sculptor.

A meeting of the plans and designs committee for the South African memorial was held at the studio of Walter S. Allward for the purpose of inspecting and approving of the central figure for the memorial. There were present: Sir William Meredith, Gen. W. D. Otter, C.B., A.D.C.; Col. Ryerson, R. E. Walker, D. B. Wilde, Eden Smith and Sydney H. Jones, secretary. The committee were unanimous regarding the excellent modeling of the central figure of Canada.

The figure is that of a strong young goddess-matron, who, with her right hand quiveringly holds upright the sceptre of her rank, but with her left arm and her eyes, too, and the whole hungry forward tension of her body—years after her manfully departing children. The expression of the face, of the parted lips, and the eyes proud, but anguished, is especially fine and noble. Mr. Allward has also finished the figure of a one-armed old Grenadier veteran of 1812 for the monument which the Army and Navy Veterans are to place in Portland-square. The old soldier does not stand on guard with chest puffed out and gloving mouth. Only the upper part of the figure can be seen, as if the old man were half sitting in a pew. Indeed one might think that he is attending some last-even-song. With his shako held tremulously in his gnarled and bony hand, the ancient hero's head leans listeningly forward and upward. Then the roll of the organ and the solemn responses of the ritual he is mutely answering "Amen."

Still awaiting the clay are the two free-flung shewy young plainmen who flank the figure of "Canada," and the "Victory" for the apex of the S. A. monument.

FENCE ALWAYS IN THE WAY.

But Man Who Disturbs It Is Hauled Into Police Court.

Wesley McConnell had Henry Haney up in police court yesterday afternoon for damaging 15 feet of barbed wire fence. Defendant said the fence was so close to his back door that he tore his clothes and did himself bodily injury every time he attempted to enter his house and his landlord had authorized him to cut down the fence. Magistrate Kingsford laid the case over for a week, when the landlord will be summoned to appear.

Ed Ridd pleaded innocence of a charge of attempting to drive his cow wagon over the trailer of a Bathurst-master for the Toronto Railway Company, who preferred the charge, swore that he did, at least, run into the back of the trailer. Defendant said he could get witnesses to prove that he never touched the car, and the case was adjourned till Nov. 16.

COMMISSION SITS IN CAMERA.

Only a Few More Matters in Insurance Investigation.

Ottawa, Nov. 9.—The insurance commissioners sat in private this morning. Public sittings will be resumed next week. The matters under review are the examination of Premier Roblin of Manitoba and further enquiry into the affairs of the L.O.F. and the Woodmen of the World.

It is expected the report of the commission will be in the hands of the members of parliament within a week after the opening.

TRADES DISPUTES WILL PASSED.

London, Nov. 9.—The house of commons to-day passed the third reading of the trade disputes bill without a division.

ASPHYXIATED.

Benjamin Wheatley, about 30 years of age, who came out from Scotland three months ago, was found dead, in bed at 351 Bathurst-street yesterday morning. The room was full of gas.

Poor Shipment of Apples.

Ottawa, Nov. 9.—Mr. McKinnon, Canadian commercial agent at Bristol, calls attention to the necessity for Canadian shippers taking greater care in the shipping marks of their choice boxes. Very large shipments of Canadian apples have been arriving at Bristol, and on the whole the quality gives great satisfaction. One consignment, however, attained a most unenviable notoriety with the trade that has given the brand a black eye for the balance of the present season.

Demand for Wheat Falls Off.

Montreal, Nov. 9.—The C.P.R. report that while the western wheat crop has been harvested twice as fast as last year the shipments out of Port William to date have been much smaller than last year. The reason for the falling off is that the demand for Canadian wheat in the United Kingdom is much smaller than last year, owing to the big supply of wheat from the Argentine.

No Exchange.

Ottawa, Nov. 9.—The minister of militia authorizes the announcement that there is no foundation for the report that there is to be an exchange of British and Canadian regiments.

CONDUCTORS WILL DEMAND THAT CHARGES BE PROVED.

Stand by Clause in Agreement That Dismissals Cannot Be Made Without Cause.

The idea has got abroad that the railway conductors laid off by the G.T.R. have all resigned or taken their oaths, as if it were merited. This is not true. It is very far from the truth. The majority of the conductors have refused to resign. They have demanded that the management of the G.T.R. give reasons for their dismissal. They want charges made, if there are any charges to make. They want evidence of wrongdoing or negligence produced.

They do not wish to be branded as wrong-doers, for they declare they are innocent of the slightest suspicion of wrongdoing. They stand on their feet, and they are not going to be dismissed without charges made, if there are any charges to make. They want evidence of wrongdoing or negligence produced. They do not wish to be branded as wrong-doers, for they declare they are innocent of the slightest suspicion of wrongdoing. They stand on their feet, and they are not going to be dismissed without charges made, if there are any charges to make. They want evidence of wrongdoing or negligence produced.
