Electricity is Nerve Force

AROUSE YOURSELF! GET BACK YOUR VIM!

PUT LIFE IN YOUR VEINS! REGAIN YOUR POWER!

Many a man goes through life without having accomplished anything for himself.

Are You Such a Man?

Do you lack confidence in yourself? Then you are weak nervous. The electricity has been drained from your body.

You will not part with it after you have tried it two days. It will fill your nerves with life.

It cures all pain and weakness. Stop being imposed upon by Charlatans who advertise "No Cure, no Pay."

"No money down," "We cure, then ask for pay," and other glaring headlines. I, as the only Canadian in

stitution of the kind, count your most rigid investigation. Try my new method. Free. It will convince

you. Book about it free—Call and see; no charge.
