farmers of Washington State. When they complained to him of the high freight charges on wheat to the Pacific Coast he told them that it was not so much a reduction of freight charges before magistrates.

det that if Irish landlords combined and resorted to such practices as boy-cotting and intimidation he would take much pleasure in summoning the officers before magistrates.

for the 150-mile-an-hour American Elevated Railroad Company, which will use my bearings in their gigantic undertaking. Mr. Sprague, inventor of the electric car, is another who has a kindly word for the new invention. heads about as securing some kind of profitable occupation thru the eight months of the year during which they were idle. A saving of a cent or two Honolulu, Aug. 8.—According to the satisfactorily?"

Honolulu, Aug. 8.—According to the satisfactorily?"

"You had many discouragements before you completed your first model satisfactorily?"

"Yes." replied Mr. Chapman, "I had. heads about as securing some kind of be made if the farmers found some occupation to utilize their leisure. He suggested live stock, dairying and the growth of roots and forage to diversify their crops. The advice which Mr. Hill gave to the farmers of the Western States is applicable equally to the farmers of Manitoba and the Northwest. They are employed only half the year. There surely must be some branch of the agricultural industry which can give them profitable employment during the winter season. The man who eradicates this defect

be made if the farmers found some occupation to utilize their leisunc. He suggested live stock, dairying and the suggested live stock, dairying and told me that I could by these bearings save 50 per cent. of power was nonsense, as there was only 14 per cent. possible to be saved. "However, to use an expressive slang, these segntlemen, so strong in theory, have gone 'away back and sat down, for I have since completed a car, and had it running in Boston and the company on the island car, ied a complement of mauser rifles,

wires; he was scoffed out of court.
The man who eradicates this defect in the western farmer's life will confer an immense benefit upon the country.

THREE-CENT FARES.
The People's Railway Company of Cleveland, which was organized by Mayor Tom Johnston, obtained a franchise is appealed to by the other city railways to declare the illegality of the franchise of the 3 cent roads, but a decision of the Country of the Gowans, conducted spansing of the Sate point of the State Department in Washington.

Funeral of the Late John Gowans, and a saving of the case of the Gowans, kent Co., which took place on F.iday afternoon to Mount Pleasant Cemetery from the family residence, 553 Jarvis-street. Rev. Prof. Balbantyne, assisted by Rev. Principal Caven, conducted services at the house and grave. The on the understanding that 3 cent lifares would be charged. The court was appealed to by the other city railways to declare the illegality of the franchise of the Circuit Court has just been handed down. In which the legality of the franchise is upheld. It is said the low fare car lines will be begun at once.

The man who eradicates this defect in the western farmer's life will confer an immense benefit upon the country.

A large number of relatives and friends attended the funeral of the Late John Gowans, one of the footnet close on F.iday afternoon to Mount Pleasant Cemetery from the family residence, 553 Jarvis-street. Rev. Prof. Balbantyne, assisted by Rev. One of the Gowans, Cent Co., which took place from the Co., which took place from the Co., which took place from the condition of power to start trains, and a saving of power. C. An elimination of heated bear ings.

The Reduced consumption of power to start trains, and a saving of power. C. An elimination of heated bear ings.

The remains of the late Mrs. Williams the consumption of pow franchise is upheld. It is said the low er. fare car lines will be begun at once. Tom Johnston is a successful business

A Mother To Mothers.

"I am the mother of | five children," writes liton. Mrs. S. E. Rose, of the doctor's hands, and never less than two days with any child until the last. Then I had used two bottles of Dr. Pierce's Favorite Prescription and was only two hours in the hands of the doctor."

Dr. Pierce's Favorite Prescription is a woman's medicine. It cures diseases of the womanly organs. It is a wonderful medicine for mothers, making the baby's advent practically painless and giving abundant strength to nurse and neurish the child.

A CANADIAN PRODUCTION.

Conada Can Excel Any Country in Mr.

in Canada than perhaps anywhere else in the world.

Canadian physicians and pharmacists are superior to any others.

The natural result of this very high standard is, of course, a more critical and scrupulously careful examination into disease, with its causes and cure.

Dodd's Dyspepsia Tablets are a purely Canadian product.

Canadian minds developed the theory on which they are made and prepared the formula.

By Canadians are they made and sold, and their reception by the Canadian people is the very best evidence of their sterling good qualities, for Canadians want only the best.

Like everything else Canadian, they are honest and reliable. As a remedy as much as is claimed for them. They are more.

But while it would naturally be supticed.

He is a typical American, and looks like a Southern colonel.

"Were you ever in the war of the great rebellion?" asked a representative of The World.

"Yes, sir, I was a bugler," replied Mr. Chapman.

Mr. Chapman threw aside his trumpet after the war and entered the closed room of the inventor, and he has been there ever since.

To-day his name is synonymous with the Chapman's double ball bearings, of which he is the discoverer. This inventions of the decade.

Like everything else Canadian, they are honest and reliable. As a remedy as much as is claimed for them. They as much as is claimed for them. They are honest and reliable was the and want only the best.

Like everything else Canadian, they are honest and reliable was the and want of the idea was the idea was the and want of the idea was the and want of the idea was the and want of the idea was the idea was the idea was the idea was the and want of the idea was the idea was the idea was the idea was the

Escaped Convicts Suspected. Chicago, Aug. 8.—Gus Hyatt, who scaped with 15 other convicts from he Nashville, Tenn., penitentiary last ie Nashville, Tenn., penitentiary last the onday night, is now sought as the oder of the train robbers who held the Burlington express at Savanna, is., twenty-four hours after the espec. At St. Paul, Minn., five men, ho are suspected of complicity in the robbery; are under arrest. They ere taken in a body as they alighted on a Great Western train. from a Great Western train.

Where the Blow Occurred. A correspondent asks The World the location of the farm on which six acres of barley shocked in the field were carried away and stumps that would require two teams of horses to move them from the ground. This extraordinary occurrence was on the farm of Joseph Mortson, Oak Ridges, about four miles north of Richmond Hill.

Thirteen Lives Lost. Pueblo. Colo., Aug. 8.—An explosion in a mine at Trinidad killed thirteen minera last night. A NOTED INVENTOR.

Chapman of the Double Ball

Canadians are proverbially a modest! Registered at the Rossin House on Canadians are proverbially a modest people, who have a very strong aversion to anything that sounds like boasting—in fact, a Canadian must go abroad to learn the true value, comparatively, of his own good country, its men and its products.

It is a well-known fact that the standard of professional education is higher in Canada than perhaps anywhere else in the world.

Canadian physicians and pharmacists

Registered at the Rossin House on Turnsday was Mr. Chapman of Boston, Mass. Mr. Chapman is to-day one of the foremost minds in the realm of mechanics in America, and ranks high in the honor roll of the inventors of the United States.

He is a typical American, and looks like a Southern colonel.

"Were you ever in the war of the

man and it is generally believed that his 3 cent street car fares will be a that's a long time. Some men would success.

"Five hundred thousand miles is a long way," suggested a listener.
"Yes; but it will seem shorter when these bearings are used." replied Mr.

without actual or adequate consideration. The defendants named are: C. Ritchie of Akron, Ohio; John Paterson, John Moodie, Hon. A. T. Wood. Turnbull, D. R. Dewar, J. D. Chentrand Fannie T. Moodie, all of Hamtton.

Saltings, With 5500,000 capital, Salt Mr. Chapman "and they have orders now for four years ahead."

"I have sold my entire right to Canada to the company over on Scott-street in your city, and feel satisfied once the people know what they have got their greatest trouble will be to fill orders. I never was in Toronto before, and am surprised at your size and importance. "I feel confident that my it vention will revolutionize the speed of railways, for friction has always been the bugbear not only in railways but in all lines, and branches wherever wheels revolve. That was a great statement of Chief Engineer Thomson of the elevated road when he said, 'Chapman's patent is the key to the success of the system to be able to run 105 miles an hour. And don't you see that this means that the capacity of a road or factory or whatever it may be along this line of manufacture is also increased 25 per cent." "That's a tremendous increase in these days of narrow margins, sharp returns and great profits.

"We have received an order to equip the guns of your Uncle Samuel with these ball bearings," said Mr. Chapman, with a laugh, "but I'm positive they will never be turned around towards Canada."

Mr. Chapman is now on his way to Moncton, N. B.

To Prevent is Better Than to Repent.—A little medicine in the shape of the wonderful pellets which are known as Parmelee's Vegetable Pills, administered at the proper time and with the directions adhered to, often prevent a serious attack of sick neess and save money which would go to the doctor. In all irregularities of the directive organs they are an invaluable corrective, and by cleansing the blood they clear the skin of imperfections.
