## Some Things Were Left Out LORD MINTO SALUTES KING EDWARD WITHOUT WIRES WIZARD MARCONI SENDS MANY MESSAGES 2300 MILES

NEW YORK, Dec. 21. - The following despatch from Mr. Marconi, dated Glace Bay, N.S., Dec. 21, has been received by the Associated Press: "I beg to inform you for circulation that I have established wireless telegraph communication between Cape Breton, Canada, and Cornwall, England, with complete success.

'Inauguratory messages, including one from the Governor-General of Canada to King Edward VII, have already been transmitted and forwarded to the King of England and also to the King of Italy.

"A message to The London Times has also been transmitted in the presence of its special correspondent, Dr. Parkin.

GOVERNOR-GENERAL'S MESSAGE SENT.

OTTAWA, Dec. 21.—The following message was received this afternoon for the Governor-General from Marconi: Glace Bay, N.S., Dec. 21.—"His Excellency the Governor-General: Have honor to inform Your Excellency that your message to His Majesty has now been transmitted by me from Cape Breton to Cornwall by wireless telegraphy and has been forwarded to destination. (Signed) MARCONL"

Marconi has been working eight weeks at his station at Table Head, Cape Breton. The distance from Table Head to Cornwall is 2300 miles.

DIED IN EDINBURGH.

"(Signed) G. MARCONI."

Byron, Cal., Dec. 21.—Sixteen persons were killed and twenty-one injured in the coilision last night between the southbound Los Angeles "Owl" train and the Stockton "Flyer." It was a rear-end collision, the engine of the local plouing its way into the rear couch of the "Owl," which was filled with Freemo people. The passengers who will be a standard crushed in the mass of debris. Their sufferings and danger were intensified by the clouds of scalding steam that poured out from the shuttered boiler of the Stockton engine.

After the "Owl" left the Oakland moile, a leak in the flue of the engine was noticed. This increased to such an extent that it was deemed advisable for relief.

The train officials knew that the Stockton local train was following a half-hour behind, and a flagman was sent back along the track to give warning of the presence of the "Owl." It is said that the Stockton focal train response with which have a stock as and the standard crushed the suffer blades they would have never run across the Nokomis.
