RESIDENCE OF REEVE JOSEPH HIND, EAST TORONTO

**EAST TORONTO, Jan. 22.**—The annual meeting of Emmanuel Presbyterian Church, held to-night, was in all respects one of the most encouraging and satisfactory held in years. The Rev. Mr. Rogers, minister in charge, presided.

The board of managers elected were: Benjamin Scott, Alex. McLeod and Andrew Chalmers for three years. Mayor Andrew McMillan was chosen chairman of the board.

The report of the Ladies' Aid and sister church societies were all of a satisfactory and cheering nature, and indicated self-sacrifice on the part of the lady members.

The net debt of the church at the beginning of the year was \$1300, which has been practically wiped off the books by the floating indebtedness of some \$300 still remains.

The Sunday collections during the year totaled fully \$100 more than last year. In short, every avenue of work advanced, and the growth of the membership has been steady and consistent.

To the energy and zeal of the Rev. Mr. Rogers, who has been at all times ready and willing to aid in every movement for the good of the church and town, not a little of the progress of Emmanuel is attributable.

Reeve Joseph Hind and Deputy Reeve Brown will this year represent the town at the county council, which meets in the old court house in the city on Tuesday next, Jan. 28. Both these gentlemen have had considerable municipal experience, and the election of Reeve Hind ensures the presence in the county council of a practical man of wide experience in practical matters, which ought to prove of great value to the town during the present year.

## Sunken Cheeks, Blanched Lips Usually Indicate Consumption

Those hollow cheeks, that feeble walk, sunken chest and woe-begone vacant expression, to most people are evidences of the work of consumption. Even the smallest hacking cough, night sweats and wasting of the body, so powerfully accepted as indications of the same dread scourge, are in many instances entirely misleading. Nineteen-tenths of these so-called "consumptives" are only cases of underfeeding.

Especially in children and young girls there is a sad lack of appetite. Ferrozzone creates an appetite keen as a razor; it simply makes you eat, and besides it strengthens digestion so much that all food is assimilated and you once converted into nourishment for the blood, brain, nerves and muscles. The general health is thus built up in a marvelous way by Ferrozzone, which overcomes weakness and debility in both young and old.

The systematic use of Ferrozzone, together with fresh air and exercise,

will in a short time restore any person in poor health.

Whether weak through worry, overwork or disease, whether your case is recent or chronic, Ferrozzone will permanently cure. In every case it is successful because it contains more actual nourishment than you can get in any other way.

No matter what the age or sex, as a nerve builder and general body invigorator, Ferrozzone is the best medicine. It pushes back the feeling of old age and puts the elasticity and vim of youth into systems that ordinary remedies fail to rebuild. This is not mere theory, but a claim reinforced by overwhelming evidence.

From Nelson, B.C., Mrs. G. C. Alker writes: "A few months ago I was run down, tired and nervous. I had once before been benefited by Ferrozzone when living in Boston, and started using it again. Ferrozzone at once gave me a splendid appetite, toned up my nerves and actually made me fat. I used Ferrozzone regularly and increased my weight several pounds. My cheeks filled out and became rosy. My nervous troubles disappeared, and I haven't had a single day's illness since using Ferrozzone." Price 50c per box, or six boxes for \$2.50, at all dealers, or by mail from N. C. Polson & Co., Hartford, Conn., U.S.A., or Kingston, Ont.

## EARLSCOURT SCHOOL HAS TAKEN A FORWARD STEP

Board of Trustees Decide to Furnish Pupils With Free Books —York County News.

**TORONTO JUNCTION, Jan. 22.**—The open letter, just published, of Chairman Leitch of Ontario Railway and Municipal Board, to Premier Whitney, is of especial interest to residents of the Junction at the present time, in view of the application pending before the Ontario Railway and Municipal Board, on the 28th inst. It is fortunate for Junctionites that the Toronto Street Railway is not operated under a Dominion charter, declaring it to be for the general benefit of Canada. Had such been the case the provincial railway board could not apparently give any relief for breach of the agreement between the railway and the municipality, in view of the large population.

The additional territory that the Junction hopes to acquire by being incorporated as a city will not only increase the acreage of the town, but will add probably 2000 to its population. The southern boundary of the new territory will run from Elizabeth-street to Jane-street; the western boundary will be Jane-street, and the northern boundary a sufficient distance north of St. Clair-avenue to take in the district known as Scarlett's Plains.

Charles Ham of 119 East Annetta-street, died this morning of Bright's disease at the age of 69 years. The funeral will take place on Friday at 2.30 p.m., from his late residence, 119 Prospect Cemetery. The brethren of Loyal Orange Lodge No. 900, of which he was a worthy and valued member, are taking charge of the funeral. It is hoped that a large representation from sister lodges will be present. The members of the order will meet in the lodge room, St. James' Hall, at 1.30 p.m.

**Hold First Annual.**—The first anniversary concert and dance of Welcome Lodge No. 3, Knights of Pythias, was held to-night in St. James' Hall, and was a great success. The concert program consisted of songs, readings, piano and violin solos. Those who took part were Mr. and Mrs. Dr. Norman, Miss Whelan, Mrs. Dr. Reynolds, Messrs. Carr, Carr, McMaster and Hall. The concert being over, nearly 200 persons were entertained to supper, after which a dance was given. Rev. Dr. Hasbrouck is confined to his home, 177 High Park-avenue, with an attack of grip.

The I. O. O. F. will hold a concert on Tuesday, Jan. 28, in St. James' Hall.

Robert Armour arrived in the Junction last night in a freight train from Detroit. He was brought before Police Magistrate Ellis this morning on a charge of trespassing and fined \$1 and costs. He was allowed 24 hours to obtain the money.

## AGINCOURT.

**Great Success Attends Annual Meeting of East York Plovers.**

**AGINCOURT, Jan. 20.**—The annual meeting of the East York Plover's Association was held in the Temperance Hall on Monday afternoon. The treasurer reported after a long and prize that there was a substantial balance on hand. These officers were elected: President, Robert Cameron; first vice-president, George B. Little; second vice-president, Thos. Weir; directors, Thos. Shadlock, Alf. Steers, Geo. Elliott, George Scott, A. Heron, Jas. Hood, Walter Hood, Alex. Doherty, W. G. Rennie, George Robb, Geo. Simons, John J. Blundell, W. A. Kennedy, J. B. McLean, W. H. Paterson; secretary, Frank Weir; treasurer, T. A. Paterson; honorary president, Dr. McLean, M.P.; W. F. Maclean, M.P.; Senator Campbell, Alex. McCowan, M.L.A.; Wm. Milliken, M.P.; Hon. J. G. Doherty, J. Alex. Doherty, J. L. Paterson, Lyman Kennedy, Wm. Hood, Adam Bell; honorary directors, Doherty, G. M. Third, George Empringham, E. Abraham. Date of match, Nov. 4.

## CHESTER.

**Annual Church Meeting Shows Great Progress.**

**CHESTER, Jan. 22.**—The annual meeting of the Chester Presbyterian Church, held to-night, was fairly well attended. Rev. Dr. McFayden presiding.

The reports submitted regarding the several branches of the church were eminently satisfactory.

These officers were elected: On the board of management for three years, J. W. Young, G. A. Young, W. A. Webster.

A. G. Finlay was elected on the board for one year, and Mr. Medford and Mr. Roe as auditors.

Representative of the Chester Extension Union, G. H. Wallace. The report of managers showed the finances in good shape, a balance remaining on hand of \$27.75.

The Young Girls' Mission Band, of which Mrs. McFayden is president, Miss Edith Young, secretary, and Miss Edith Webster, treasurer, has done excellent work.

The Ladies Aid have forwarded large amount of clothing to the Toronto Hospital in the Northwest.

The report of the building committee shows that circulars and subscription books have been distributed, which, while not yet fully returned, give reason to hope for the erection of a modern church on the site of the present one in the near future.

Miss E. Berner was accorded a

## SILVER MUGS FOR LEAP YEAR BABIES.

Four years ago nearly a hundred "leap year babies" born on Feb. 29, 1904, were recipients of a handsome silver mug as a recognition of their peculiar position in the matter of birthdays.

The World would be glad to hear from any of all of them now, and will be pleased to publish photographs to show just how pretty a lot they all were.

Further, The World wishes to state that to all babies born in this province on Saturday, Feb. 29, next similar souvenirs will be presented. That is, we repeat our announcement of four years ago, viz:

The World will publish free the birth notices of all babies born in Ontario on that day, and likewise present a silver mug to each and every baby whose arrival on that day is duly authenticated. Birth notices will be published in The World that morning.

## EARLSCOURT.

**Trustees Take Forward Step in Supplying Free Books.**

**EARLSCOURT, Jan. 22.**—The public meeting adjourned from Dec. 26, to consider the annual report of the school board for S.S. No. 13, met in Dufferin-street School last night. School Section No. 13 comprises two schools, Bartlett-street and Dufferin-street, and the Dufferin School at Earlscourt.

The trustees showed a total debenture account receipts of \$35,095.35, with a total expenditure of \$28,067.52, leaving a balance to the credit of the debenture fund of \$7,027.83. The receipts of school funds were \$11,474.84.

The expenditure for the Dufferin School was \$2828.38 and for the Bartlett-avenue School \$2467.83.

Miscellaneous expenditures totaled \$2523.50, leaving a balance to credit of school fund of \$1855.08.

After the public meeting the school board met for the transaction of business. Trustee Swanton was elected chairman for the year and Trustee Stephens secretary-treasurer.

Trustee W. A. Carter received a bonus of \$100 for his services as secretary-treasurer for last year.

This S.S. No. 13 contains two up-to-date school buildings with a total of 12 teachers and a roll of 940 pupils. The

board decided to supply the pupils with free school books and also added \$5000 additional insurance on each of the buildings, making a total of \$50,000 fire insurance.

Two years ago this district, which was known as "the Prospect Park" district, was nothing but farm lands, but to 350 families, with six well-graded streets, including Dufferin-street, on which is located the handsome, steam-heated, six-roomed school building; three churches, Methodist, Presbyterian, Baptist, and lots of room for an Anglican school on the corner of Ascott-avenue and Earlscourt-street, of which Mr. Little is the general proprietor and postmaster.

The citizens of Earlscourt are forming a joint stock company for the erection of a public hall with accommodation for the different fraternal societies, on Nairn-avenue.

The Victoria College Evangelistic Band will give a concert for such an occasion commencing next Sunday, at the Boon-avenue Methodist Church.

## NORTH TORONTO.

**Leaside Mission Will Hold an Entertainment.**

**NORTH TORONTO, Jan. 22.**—A public lecture was given, and much appreciated, by Rev. Dr. Somerville, general treasurer for the Presbyterian Church in Canada, under the auspices of the Home Mission Society of the English Presbyterian Church, to-night.

The collection was for the benefit of the home missions.

Mrs. J. Foster of the second session, West York, whose husband died two weeks ago, has removed to Woodstock, where she will reside with her father.

The Sunday school of the Leaside Mission Church will hold an entertainment to-morrow (Thursday) evening. Owing to the fact that the Leaside Mission building is too small for such an occasion, the congregation received permission from the parent congregation to hold this entertainment in the school room of Christ Church, Deerpark.

The new store of Thomas Clancy is nearly completed in all its details and will be occupied by Mr. Norris as a grocer and general store. Mr. Norris is

## DOVERCOURT.

**Many Men in This District Are Out of Work.**

**DOVERCOURT, Jan. 22.**—The stringency of the winter is not very much in this district, owing to the fact that there are hosts of heads of families out of employment. As Christmas time the Canada Foundry Company shut down part of the works, causing several hundreds of mechanics and laborers to be thrown out of employment.

The Dominion Radiator Company laid off about 150 hands some time ago.

The Fisher Bros' picture frame factory, Gold Medal Manufacturing Company, the Pease Furnace Company, the Chemical Laboratory Company are working short handed.

## MIMICO.

**MIMICO, Jan. 22.**—The annual meeting of the Mimico Presbyterian Church held last night was, despite the fact that the church is temporarily without a regular pastor, one of the most successful in the history of the congregation.

The session was presided over by Rev. J. Donald, and the election of the board of managers resulted thus: George Gauld, Mr. Crammond, Mr. Slater and Mr. French.

The financial report submitted was regarded as satisfactory, and showed a small surplus over all indebtedness.

The report of the Ladies' Aid and the Home Missionary Society, while it showed a membership of from only 15 to 20, indicated that the work done was of a most praiseworthy nature, and which cannot fall greatly to the credit of the membership and scope of the work. Mrs. Watters is president of the Ladies' Aid and the Home Missionary Society.

The Ladies' Aid is also in a very encouraging condition.

A disposition was apparent to favor a call to Rev. Mr. McMillan, and he was asked to assume charge at least until March 1.

## SCARBORO AGRICULTURAL SOCIETY.

**Nearly All Old Board of Directors and Officers Re-Elected.**

**HALF-WAY HOUSE, Jan. 22.**—The annual meeting of the Scarborough Agricultural Society, held at the Half-Way House, was in all respects one of the most successful in the history of the society. The attendance of members was good, and the greatest interest generally was manifested. The board of directors appointed for 1908 was as follows: Hon. directors, Robert McCowan and Geo. C. Chester; president, Peter Heron; first vice-president, Arthur J. Paterson; second vice-president, Ed. Mason; directors, Wm. Green, W. Thompson, Thos. Bell, Wm. Walton, Wm. Doherty, B. F. Law, Chas. Mason, J. Ashbridge, R. Buchanan; auditors, Wm. Chester, R. Thompson; Alex. McCowan, secretary-treasurer.

The date for holding the fall fair was placed on Sept. 30, at the Half-Way House.

## SECOND FIRE MYSTIFIES.

**No Sign of It When Building Was Vacated at Midnight.**

Just how the fire got going again yesterday morning in the Dominion School Supply Co.'s premises at 20 Temperance-street is puzzling Chief Thompson and his aides.

The first fire, on Tuesday night, broke out in the cellar and, altho the smoke was very bad, the firemen groped their way into it and soon had it under control. The chief remained until 10.30 p.m., and made an inspection of the building to satisfy himself the blaze was out, while Captains Russell and Sweatman of Bay-street, and Inspector G. H. Thompson of the fire department, were on duty at the time.

At 2.40 a.m. employees of the Orle restaurant next door discovered the second fire in the roof and making a quick run thru the roof and making a brilliant reflection.

It was reported that the firemen were 15 minutes in arriving, but that in all the time later there wasn't a sign of flame. Because of first appearances Portland and Dundas-st. sections were brought down by telephone, but were not needed.

Richmond-street hose made the discovery that a hydrant opposite the Simpson building was dry. It seems that it was shut off some weeks ago when the main was weakened by a washout, but the fire department were never notified.

Altho no criticism can be attached to the fire department for the second outbreak, Chief Thompson says that in future he will make assurance doubly sure and, in cases where there is a possibility that fire may recur, will leave a watchman.

It might be mentioned that in the American cities where the insurance patrol, or salvage corps, operate, in case of a fire like that of Tuesday night, men would be left on duty to clean things up and afford protection to the property after the firemen leave.

## Missionary Alliance.

The Christian and Missionary Alliance Conference held three sessions in Zion Church yesterday. In the evening Mrs. George Murray of Jerusalem delivered an address on the "Opportunities of Missionary Work in the Orient."

To-day, Dr. Henry Wilson and Rev. I. Hess will, both worldwide missionaries, will deliver addresses at both sessions.

Miss Hattie Rutherford of Quinnesburg, Ontario, gave an interesting address on the schools of China, showing the chances of the woman missionary.

The congregation received permission from the parent congregation to hold this entertainment in the school room of Christ Church, Deerpark.

The new store of Thomas Clancy is nearly completed in all its details and will be occupied by Mr. Norris as a grocer and general store. Mr. Norris is

**COBALT, Ont., Jan. 22.**—Between the hours of 10 and 1 o'clock last night, when the watchman at the King Edward mine was some distance from the ore house, it was broken into by thieves and a nugget worth \$8000 was stolen. Indications are that the thieves knew their ground. They were tracked for some distance by footprints in the snow, but have not as yet been captured.
