TO-DAY - 10-1

This is a bird I have watched burn up the track in his morning trials. His last work was three-quarters in 1.14 with his mouth wide open and fighting for his head. His last time out he got into more pockets than there are in a suit of clothes. I can assure you that to-day the ride will be of the strenuous order; the money-riding jockey will be aboard and it's a case of Kitty, bar the doors. Don't miss this one, as this will be the sensation of this meeting.

Terms: \$2 daily, \$5 three days. Blue Bonnets message can be seen at my office at 12 noon.

Another "O'K" Ale

Our latest—and, some say—our finest, brew. We perfected an uncommonly fine blend of hops and malt-and then brought all our years of experience to bear in brewing, ageing and bottling it.

O'Keefe's "Gold Ale

is just the kind of Ale that you would expect a brewery like this to brew.

It's pure and old, and rich and creamy-a delight to the palate—and the most nourishing and healthful of malt beverages. Have your dealer send up a case.
