Men! If You're Ready to Get a New Winter Overcoat Come Saturday

Hundreds of Handsome Ulsters, Chesterfields and Slip-ons Form an Unusually Large Selection Saturday, Comprising a Versatile Collection of New Distinctive Materials at Prices That Mean in Most Cases Savings of Dollars

Roomy and Comfortable Ulsters From \$11.50 to \$40.00

THE EXTRA LONG, double-breasted ulster, made of thick, comfortable materials with large, wide storm collar, is the ideal cold weather overcoat for men. And if tailored in correct style, with graceful lines and perfect fit it is a coat of constant pleasure and lasting good appearance.

One model in the display is about 50 inches long and has half belt at back, and convertible lapels. It is made of fancy mixed tweed in a small check design; others are in rich shades of browns and greys and all are warmly lined with twill serge. Sizes 33 to 44. Extra low priced at . . . 11.50

In regulation ulster style, with plenty roominess is another line of ulsters, made of some very attractive tweed materials, browns with a mixture of green; dark greys with faint diagonal weave; brown in herringbone stripe, plain black and many other interesting patterns. Sizes 35 to 44. Excellent values at . . . 13.50

Smartly tailored are ulsters for young men. They have large shawl collar and are shaped to fit, slightly closer to back than the ordinary ulster and have half belt. They are made of thick, warm, woolly, navy blue and grey nap cloths, that are extremely light in weight. Prices . . . 12.50 and 13.50

Also in the display are hosts of other Ulsters made of fancy mixed tweeds, friezes, chinchillas and those thick, warm soft Ulster coating materials. In double-breasted style, with convertible lapels, collars in various widths and in most cases with half belt at back. Linings are mostly of twill serges and mohairs. Sizes 35 to 44. Price . . . 15.00 to 40.00

Fashionable Chesterfields From \$16.50 to \$40.00

DISTINGUISHED for neatness and smart style without any sacrifice of warmth and comfort are the following Chesterfields:

One model made of rich black melton cloth in a single-breasted, fly-front style with rather close fitting back and velvet collar. It is about 43 inches long and is lined with twill serge. Sizes 35 to 44. Price . . . 16.50

Another Chesterfield is made of soft, thick, black Whitney cloth in fly-front style, with velvet collar, straight fitting back and naturally formed shoulders. Lined with Beatrice twill. Price . . . 22.50

Dark grey melton cloth with a very distinctive and stylish appearance, has raw edges, and seams lapped and double-stitched. The lapels are notch shaped and of medium width. Linings are of twill mohair. Price . . . 25.00

Finer Quality Chesterfields, made of melton, Whitneys and other high-grade English materials, in soft, warm finishes, many of them hand-tailored to a large extent. Are priced from . . . 27.00 to 40.00

Swagger Winter Slip-ons and Box Back Overcoats for Young Men

EXTREMELY clever slip-ons for young men are tailored in full fitting back style with seam down centre but without vent. They are in single or double-breasted style and hang about 40 inches. The materials are thick and soft and in bluish grey shades. Sleeves and yoke are lined with black satin. Price . . . 30.00

A very handsome Topcoat is made of a beautiful green English melton cloth. It is in single-breasted style with full box back without seam or vent. The seams are lapped and double stitched and edges are raw. Lined through body with wide wale mohair and in the sleeves with black satin. Price at . . . 32.50

Another very stylish slip-on that just comes to knees, has full, easy-fitting back without vent. Patch pockets with top flaps, rather narrow lapels and self collar. In bottle green, shaded soft, woolly materials. Shoulders and sleeves are lined with satin. Price . . . 35.00

For the young man who wants a moderately-priced warm double-breasted slip-on coat for winter wear, we recommend these at \$17.00. They are knee length and have loose-fitting back, wide lapels, velvet collar, patch pockets and cuff sleeves. In black or brown nap cloth, lined with wide wale serge. Sizes 35 to 42. Price . . . 17.00

A Great Offering Saturday in Men's Winter Ulsters at \$13.25

THESE ARE NOT regular stock—we could not sell such quality in the usual way and make any profit. They are a special purchase secured at a liberal reduction, presenting a saving opportunity that is very unusual. Come and see them Saturday; you'll find the material rich, heavy, soft, thick, warm, and there are over 20 shades in browns, greenish greys and greys.

Many have a plaid pattern on the inner side, and the shoulders and sleeves are lined with serviceable satins. There are tweeds, in fancy mixtures and chinchilla fabrics in plain shades. Most have convertible lapel, deep storm collar, half belt at back, full skirts and wind straps on sleeve. There are also a few with shawl collar, and a few semi-ulster coats with small collar. All are double-breasted, and remarkably well finished. Sizes 36 to 44. Special, each, Saturday . . . 13.25
