Racquet Club for Toronto.

For some time past a movement has been
on foot to start a racquet club in Toronto.
The committee, which has been working on
the preliminary details, is so satisfied with
the support promised to the scheme that
refuses have been sent out calling a general
meeting of those interested for next Tues-
day afternoon, when the necessary steps
will be taken to organize the club.

Unbeaten Basketball Team.

St. Stephen's H.L. won two games this
week, defeating Grace School on Tuesday
night by 20 to 5, and winning from the
West End Junior boys Wednesday night by
a score of 27 to 17. This team has not
lost a game this season.

St. Stephen's Athletic Association opens

a four-team league on Monday night, when
St. Stephen's will play Williamsons and
Abercrombie will play Duns. There will be a
shield presented to the winners.

Duffy Beaten in Australia.

Melbourne, Feb. 18.—A. F. Duffy, the
American runner, made his first appearance
in Australian athletics here today, but fin-
ished second in both events in which he
competed.In the 100 yards championship, Duffy was
defeated by Mueller of Bendigo. Time
10.25 seconds.Morgan of Melbourne, with five yards
start, beat the American, who started at
scratch, in the 75 yards handicap. Time
7.25 seconds.

Peace is a Possibility.

Berlin, Feb. 18.—The foreign office here
regards peace on the initiative of the Rus-
sian government as a possibility, but im-
mediately qualifies the statement by say-
ing it is an impression and not a conclu-
sion supported by information from St.
Petersburg and adds that Prince Frederick
Leopold went to Russia only to have an
audience of Emperor Nicholas in joining
the Russian staff in the far east. He did
not carry any communications of state, but
only a letter from Emperor William to
Emperor Nicholas.

Remains May Go to St. Petersburg.

St. Petersburg, Feb. 18.—Altho no de-
finite decision has yet been arrived at, it
appears probable that Grand Duke Ser-
gius' remains will be brought to St. Peter-
burg. It is explained that the Romanov
Museum in the Cathedral of St. Peter
and St. Paul is undergoing alterations.
Consequently it is likely that the inter-
ment will temporarily be in the Church of
the Ascension in the Kremlin. Three
months has been fixed as the period for
mourning.The annual meeting of the University
Women's Glee Club will be held in the
west hall on Thursday evening.

VARSITY, QUEEN'S, McGILL

Will Form an Intercollegiate Ath-
letic Union.The delegates from Queen's Varsity
and McGill to attend the annual hock-
ey association meet got together on
Saturday and considered the forma-
tion of an inter-university annual ath-
letic meet. The matter was not de-
cided finally, but it is probable that
the association will be formed. The re-
commendations agreed to by the repre-
sentatives of the three athletic bodies
last fall came up, but were laid over
for final consideration by the three
associations. McGill has adopted them,
but Queen's and Varsity have not as
yet. Queen's denied that Mr. McInnis
represented them at all. The clauses
recommended were:

1. That no one shall be allowed to compete in any inter-university con- tests who is not a bona fide student in actual attendance at lectures.
2. Certificates of eligibility must be signed by the professor of the depart- ment whose lectures the student at- tended, and by the academic head of the university.
3. Students of affiliated colleges are bona fide students.

INTERCOLLEGIATE ANNUAL.

Hockey Association Met Saturday
and Elected Officers.The annual meeting of the intercol-
legiate Hockey Association was held
Saturday morning at the King Edward
Hotel. Representatives were present
from McGill, Varsity, R.M.C. and Mc-
Master. The financial statement show-
ed a balance of \$76.61, which will be
depleted by a \$15 grant for souvenirs
for McGill, the senior champions, and
\$10 for Toronto University, the inter-
mediate champions. The question of
purchasing a cup for the intermediate
series was left over.The question of Billy Gilmour's play-
ing with Ottawa against Wanderers a
week ago evoked some discussion. It
was decided to enforce rigidly the rule
forbidding players playing for more
than one club in the same year and to
refuse all permits in the future. The
same year was defined as the season
embraced in the schedule games. Af-
ter that term players may take part
with any clubs they please. Exhibi-
tion games do not come under this
head. Stanley Cup games are cham-
pionship and not exhibition matches.The eligibility of players was the
subject of a good deal of discussion.
Henceforth the bona fide student must
be vouched for by a certificate furnish-
ed by the union and signed by the re-
gistrar and a lecturer or professor
whose classes he attends. The follow-
ing officers were elected: Eon, presi-
dent; George H. Chown, Kingston; vice-
president; M. P. Baker, Kingston; sec-
retary; Frank McKenna, McGill;
secretary-treasurer; J. C. Sherry, To-
ronto; executive committee, H. L.
Sims, McGill; G. E. Richardson,
Queens; C. D. Jamieson, Toronto;
Cadet Howels, R.M.C.; E. R. Fitch, Mc-
Master. The representatives at the
meeting were: McGill, C. A. Young;
Queen's, Marty Walsh, and Dick Mills;
Varsity, C. B. Jamieson, D. E. Robert-
son; McMaster, J. B. McArthur, and
E. R. Fitch; R.M.C., Cadet Gill.

New O. H. A. Finals.

The O. H. A. finals are now near at hand.
The several games were postponed, due to
the storm, the clubs are pretty well thinned
out. Last week's record:The survivors in the senior series are
Smith's Falls and Marlborough, who played
here last night, and meet at the Falls on
Wednesday night.Intermediate—Groups 1, 2, 3 and 4—

having been three days snowbound.

T. A. S. Wins the Round.

Peterboro, Feb. 18.—The snow-out of the
Trent Valley League met here last night
at the Oriental Hotel to consider Camp-
bellford's protest against the T.A.S. Camp-
bellford game of last week. Campbellford was
represented by A. B. Colville, harrier,
while F. D. Kerr looked after the inter-
ests of the T.A.S. team. Campbellford
claimed that there was one extra left to
play, that Referee George Brown of Port
Hope was partial and incompetent and that
Meagher having participated in an O.H.A.
game, was privileged to play in the Trent
Valley. The protest was not sustained and
T.A.S. wins the district. They will meet
Pension Falls next Tuesday in the finals.

After the Pack.

The Markhams defeated the Aberdeens
Saturday morning by a score of 9 to 4.
The Wellington Ladies Hockey Club will
hold their first annual concert in Ding-
man's Hall on Monday evening next.
The De La Salle hockey team easily de-
feated the I.C.B.U. juniors on the De La

winners was as follows: Goal, T. Hennes-
sey; point, A. Heck; cover, J. Power; cen-
tre, M. Power; left, J. Dissette; right, W.
Carter.A very pleasant skating party was held
at Moss Park Rink, when about 25 or 30
young people enjoyed themselves. Deco-
rated with red satin ribbon and silver stars,
they proceeded in a body to the home of
Mr. and Mrs. J. W. Connell's, Ontario-
street, where refreshments were served.
They enjoyed themselves in playing euchre,
pit and other games.

Berger Knocked Out Casey.

San Francisco, Feb. 18.—Sam Berger, the
amateur heavyweight, knocked out Jim
Casey last night in the first round after
two minutes' fighting.Hamill & Lang of Sumner-street, held
their first sleighing party recently. Forty
persons, including employees and their
wives and friends, took part. The com-
mittee in charge were: W. C. Hamill, A.
Lang, W. Hinton, John Paulin, Robert
Dunn and Wm. Henderson. A good time
was spent at Meade's Hotel on Danforth-
avenue.

WALLACE'S LIBRARY.

The late General Wallace's library was
his pride. It is a one-story structure of
brick and stone, with a roof of brass and
bronze plates. It is lighted from the top
and its surroundings are such that its own-
er could close the door and be as far away
from the noise of civilization as the he
was in the heart of the Rocky Mountains.
The structure is fire proof, and it contains
the general's treasures in fine editions and
valuable manuscripts. It has but one room,
which is lined with shelves, above which
pictures hang.

THE DISTINCTIVE TONE OF THE

HEINTZMAN & CO.
PIANO

Has Made It Essentially the Piano of the True Artist.

For more than half a century this piano
has won the plaudits of those artists
who have led the musical world at
home and abroad.The increased sonority and depth of
tone of this instrument has made it a
marked piano in the eyes of the greatest
of modern artists.

- The latest distinctive triumph is the use of this piano at the
great concerts of the Mendelssohn Choir and Pittsburgh Or-
chestra. All who had an opportunity in Massey Hall on
Saturday of hearing Emil Paur as solo pianist, in his great
masterpieces, using exclusively a Concert Grand Piano of
Heintzman & Co. could not but be impressed with the splendid
isolation of this instrument in comparison with any other.
