

MANVERS AND CARTWRIGHT—J. Whitlock, M. Metherell, Pastors.—“The Lord of Hosts is with us and the God of Jacob is our refuge.” Congregations are good and Societies prospering. Members are living in peace and working harmoniously to build up, consolidate and extend the cause of God. Special Meetings held at Janetville, Fleetwood and Cæsarea, were seasons of grace and Divine Power. Over one hundred persons manifested a desire to be saved, ninety of whom united with us in Church fellowship, and up to this time, are growing in grace. We hope for improvement in the Sabbath School department of our work. We report with gratitude to God an increase in the year, of thirty-four approved members, and thirty-one on trial. We thank God and take courage, praying daily that God will build up Zion, lengthen her cords, strengthen her stakes, and that converts by hundreds may crowd her gates.

ASHBURNHAM—J. W. Cannom, Pastor.—By removals and unfaithfulness, our membership is less than last year. Quarterly Receipts have improved, and if all would do their duty, instead of allowing the burden to rest on a few, there would be no difficulty in meeting all demands of the Quarter Board. Interest and \$60.00 of the principal of Church debt have been met. What we want most is an outpouring of the Spirit. May the Lord revive His work.

TORONTO—W. Joliffe, Pastor.—It becomes us to express our gratitude to God for His preserving care graciously vouchsafed us. The continued fluctuations and scattered condition of our Society and Congregations, are felt to be a disadvantage, preventing many from regular attendance at Church services. Finances have been seriously affected by the monetary depression of the times; nevertheless, the friends have succeeded, in a fair degree, in meeting our financial obligations. Although much has been done during the past few years towards reducing the debt on Church and Parsonage, (sufficient to deserve commendation), yet the remaining obligations are such as to necessitate the treatment of this Mission with the utmost possible favour. Seasons of refreshing, coming from the presence of the Lord, both in public and social means of grace, have been enjoyed, although few conversions. Many are holding on their way; others, again, are tardy in the way of life. Our Sabbath School sustains the usual interest. Missionary Contributions have increased. We will hope for the fulfilment of the Divine promise in the final conquest and triumph of truth, believing that faithful is He that hath promised or called who also will do it.
