GOOD GOLD CHAINS CHEAP
Amongst the customs jewelry we bought recently were a fine lot of gold chains for gentlemen, in fourteen patterns, in Dickens, Alberts, Waldermars and coat styles. These are fully guaranteed to be one-tenth gold and will give good satisfaction. Come in and look them over and take your choice from the largest stock in St. John.
We bought them cheap and will sell at bargain prices. Ones of these /chains would make a dandy present.—Poyas & Co., 12 King Square (near Imperial.)
