REV. MR. KUHRING ONLY.
THREE DAYS AT SHORNCLIFFE; THEN OFF TO DARDANELLES
Rev. Captain Kuhring, who went to England as chaplain of the 6th C. M. R., was at Shorncliffe for only three days before leaving for the Dardanelles with the Army Medical Corps, according to a letter received from a St. John man at Shorncliffe.

Make the Dealer Test
Mr. Manufacturer you are frequently told that this or that kind of advertising will interest or influence local dealers. That is something very essential to the sale of your product. You are wise in seeking it. But why not consult the dealer on the subject? Ask one hundred dealers what kind of advertising they prefer and ninety-five per cent will answer advertising in the newspapers of their own city. This newspaper advertising influences them because it creates a definite demand that is felt right at their counters.

GRATEFUL FOR LETTERS
A St. John girl who has been writing to friendless Canadian soldiers on the firing line and in the hospitals, has received some very grateful and interesting replies. In one of the most recent, from a member of the 18th Battalion, the writer says, "I have received your most welcome letter, although somewhat surprised to hear from a stranger. If more of the girls would drop a line to some of the boys there would not be so many of them down-hearted." He adds that he has been given seven days leave and will spend the time in Scotland. He is anxious to stick to the fighting line until the end, but says he will be glad of the opportunity to get away from the noise of the firing for a few days.
WOULD ADOPT BABY.
The baby found in a vestibule of a house in Dorchester street yesterday afternoon and taken to central station, was later sent to the Evangeline Home, where it is being taken care of. Acting Chief of Police Wickham said this morning that he had received several applications from people who would adopt the child and he was considering them and would not be so many of them down-hearted.
ACCEPTED.
The Grand Bay baseball team have accepted the challenge of the Courtenays and will play them Saturday afternoon at the bay.

GERMAN SOCIALISTS' VIEWS OF PEACE
Berlin, Aug. 25.—The socialist newspapers publish the results of conferences by the party's Reichstag members and members of the party committee, concerning the socialist peace aims, and summarize these aims as follows:
Peace must be a permanent one, leading the European nations to closer relations.
Germany's opponents must not be permitted to acquire any German territory.
Most favored nation clauses should be introduced into peace treaties with all belligerents.
Tariff walls should be removed.
So far as possible, freedom of the seas should be established, the right of capture abolished, and "narrow" important for the world's commerce" should be internationalized.
Austria and Turkey must not be weakened.
Annexations of foreign territory violate the rights of peoples to self rule and weaken internal strength and harmony of the German nation, they must oppose all plans of this sort of short sighted politicians favoring conquest.
Finally the party demands the establishment of an international court to which all future conflicts of nations may be submitted.

THE EXCHANGE RATE
London Bankers Consider Steps to Assist Government in Matter

London, Aug. 25.—A meeting of bankers was held here yesterday to decide what steps should be taken in dealing with the exchange rate situation between Great Britain and the United States. It was made clear at the meeting that unless the bankers were prepared to support the bank's interest, it has been with the problem it might become necessary to raise the bank rate.
CANADA'S NEW KNIGHT
Ottawa, Aug. 25.—News of the knighthood conferred upon Maj.-Gen. Hughes, minister of militia, was received in Ottawa with much interest. It has been expected sooner or later, but significance is added to it by the fact that it has been bestowed separately and not on the occasion of the usual king's birthday and New Year's lists. The general's friends are very enthusiastic over the news which is taken as an honor for the department as well as for the minister. He will be known as Sir Sam Hughes, as he was not christened Samuel.
The K. C. B. title is both military and civil, and the order of the Bath has precedence over those of St. Michael and St. George, and the knights of the order have been knighted since the government took office. Sir Robert Borden, Sir George Foster, Sir Geo. Perley and Sir Sam Hughes.

Mr. Loughheed, acting minister of militia. It is requested that this gun be used by one of the New Brunswick regiments, the 26th, if possible.

MERCHANTS' PICNIC AT POINT DU CHENE
Moncton, N. B., Aug. 25.—Ideal weather drew a large crowd of Monctonians to a merchants' picnic held today at Point du Chene. Two special trains each of thirteen cars took excursionists and about five carloads of pleasure seekers also went on the regular morning suburban train. The Moncton Citizens' Concert Band and the Royal Protestant Band attended.

SHOULD SEND ONLY BEST TOBACCO TO SOLDIERS EVEN IF QUANTITY SMALLER

In a letter in which he refers with sincere appreciation to the efforts which are being made to supply the Canadian soldiers with tobacco, a St. John man suggests that they would gratefully accept a smaller quantity if it were of better quality. He says the tobacco they have been receiving lately is a low grade product which many of the men are unable to use.
While no one would want to criticize gifts, it is suggested that, if the tobacco is being purchased by any of the committees receiving public subscriptions, it would be better economy to forward a smaller quantity of smoking material of a grade which can be smoked with more pleasure. One of the reasons why tobacco is being sent across is that the men are unable to purchase on the other side a suitable quality, not entirely because they are unable to buy any for themselves.
The letter was received by a local clergyman who said that he thought the matter should be brought to the attention of the proper authorities.
"I might say," he said, "that I am a non-smoker myself, and I do what I can to discourage the habit in others, under ordinary circumstances. For a week I am making my contribution to the soldiers' tobacco fund. The letters I received from the boys at the front have convinced me of its value to them and of their need for it."

GARAGE CASE WITHDRAWN AS WORK IS STOPPED UNTIL AUTHORITY SECURED

No evidence was taken in the police court this morning in the case against E. Williams, respondent, for beginning the work of erecting a building in Carleton street without having procured a permit. Dr. W. B. Wallace, K. C., who appeared on behalf of the defendant explained that nothing further would be done regarding the erection of the building until they had secured authority. H. A. Powell, K. C., who was representing the plaintiff, said that in view of this statement the information would be withdrawn, as there was no disposition to prosecute any citizen, but they merely wanted the law enforced. Magistrate Ritchie said that if the plaintiff in continue the case it would perhaps be better to have a decision from a supreme court judge.

INSURANCE MEN TO HALIFAX FOR CONVENTION
A large party of officers and agents of the Metropolitan Life Insurance Company will leave St. John this evening to attend the annual maritime convention in Halifax tomorrow.

The representatives from St. John will include F. C. McLean, superintendent; deputy superintendents E. B. Hughes and H. C. Coates and fifteen agents. The company's medical examiners, Dr. T. D. Walker, Dr. F. P. Fleming, Dr. J. Daloz and Dr. F. T. Dunlop of St. John; Dr. Grant, of Woodstock, and Dr. Weaver of Fredericton also will be present.

Among the officials from the head office who will arrive on the Boston train tonight and continue to Halifax for the local party are: H. Fish, vice-president; E. O. Ayers, fourth vice-president; Dr. K. Franklin, sixth vice-president; Senator Tully of the law division, and J. E. Kavanagh, formerly of St. John, now superintendent of agencies.

In recognition of the welfare work carried on by the company, Senator Daloz will be present as the representative of the Victorian Order of Nurses, and the company's head nurse, Miss Jones, will attend.

In addition to the conference of officials and agents, there will be a meeting of the doctors and the company's nurses on Thursday afternoon at which Dr. Knight of the head office will preside.

A MARKET CASE
Frank O'Brien appeared in the police court this morning to answer a charge of occupying a stall in the country market on August 23 without it being assigned to him. He pleaded not guilty. John T. Stephenson, inspector and collector in the market, testified against him. Constable McLellan, who was present in court, explained that the case was being prosecuted in order to stop stall owners from using the centre aisle, which he said he believed some were doing through the medium of agents. He said he considered the defendant had been laboring under a wrong impression regarding the leasing of a stall and therefore asked that he be dealt with leniently. Owing to the circumstances Magistrate Ritchie struck a fine of \$5 against him, but allowed it to stand.

POLICE COURT.
In the police court this morning two men arrested on drunkenness charges were fined \$8 or two months in jail. One will probably be given his freedom as he is anxious to join the 59th Battalion.

Edmund S. Ritchie, who appeared in the interest of William O'Brien, asked that he be given time to consult with his client. Magistrate Ritchie fixed Wednesday afternoon at two o'clock for the hearing of the case. The defendant has made a deposit of \$100, \$50 representing the maximum fine for the first offence and \$80 for the second.
