## LOCAL NEWS

Rev. Dr. George Exton Lloyd has been elected Bishop of Saskatchewan by a vote of the Diocese synod, to succeed Rt. Rev. J. A. Newnham. Dr. Lloyd had had a distinguished career, both in the church and as a soldier. He is well known in St. John as he was for some time rector of Rotheray and founded the Rotheray Collegiate school.

The question of taking a vocational survey of the city was discussed at a meeting of the St. John vocational committee held last night. The offer of J. D. P. Lewin to gather information as to what such a survey would cost was accepted. The financial statement of last year's transactions was presented. There was much discussion of the prospects of vocational training.

The recent issue of a Winnipeg paper contains the portrait of Mrs. Arthur S. Ingraham, formerly of this city and daughter of W. E. Newcombe, who was general convener of the St. Patrick's church bazaar held in the parish hall last week. Mrs. Ingraham is one of the leading spirits in church circles in the prairie metropolis. Mr. and Mrs. W. E. Newcombe and their son, George, also are residing there now.

Charles Hamilton, assistant to Dr. P. A. Goddard, King street, fell from the second story window of a four story building yesterday afternoon, a distance of twenty-five feet. He struck on his head and sustained a bad cut about the eye; the fall also wrenched his side. He was cleaning the window of the office when his foot slipped. He was able to walk home.

The firemen were called out yesterday afternoon for a blaze in a building situated in the rear of the Dufferin Hotel Annex in Charlotte street, owned by F. G. Spencer, and used as a stable by J. T. Dunlop. The fire originated in the hay mow and it was not extinguished until ropes were attached and the upper story pulled over. Mr. Dunlop's loss is confined to the hay, but Mr. Spencer had no insurance on the building.

Another fatal shooting accident was added to the list in New Brunswick before the big game season closed on Wednesday. At Irish Settlement, Mr. Canning lost his life. He had been out shooting and was standing with the butt of the rifle on the ground, his hand over the muzzle. In changing his position his knee struck the hammer and the gun was discharged, the bullet passing through his hand and lodging in his head. Death was instantaneous. He was twenty-seven years of age and is survived by a wife and one daughter. The addition of Mr. Canning's name brings the total for the season to twelve.

The monthly meeting of the directors of the St. John Protestant Orphanage was held yesterday afternoon and was well attended. D. C. Clark, the president, was in the chair. The monthly bills were read and ordered paid. The only other business that came before the meeting was the making of plans for the tea and sale that is to be held next week. The sale will be conducted by the children of the orphanage, and the goods displayed will all be products of their handicraft. Tea will be served by the lady directors during the afternoon and evening.

A mother and daughter banquet in the Ludlow street Baptist church hall last night was largely attended. The arrangements were in the hands of the men of the congregation. R. J. Parsons was chairman. Others who took part were Miss Hilda Walton, Miss Pearl Wayne, Miss Thelma Nordin, Miss Hazel Clark, Miss Edna McLeod, John King, Miss Mabel Sharp, Mrs. Harry Donner, Mrs. A. B. ## Headache

Recurring headaches usually come from an exhaustion of the nervous system, and they do not disappear until the vigor of the nerve cells is restored by such building treatment as Dr. Chase's Nerve Food.

Temporary relief by use of powders is often obtained at an enormous expense to the nervous system and the general health.

Get the nerves right and the headaches will not return.

Mrs. W. J. Pearce, Nunn St., Cobourg, Ont., writes:

"My system became run-down and I suffered greatly with pain in my head. This was so severe that I would have to bind a cloth tightly about my head so that I could get my work done. A friend advised the use of Dr. Chase's Nerve Food, and after taking the first box I found quite an improvement in my condition. I continued using them until I had taken about seven boxes, and they strengthened and built up my system splendidly, completely relieving the pain in my head."

## PAINS SO BAD STAYED IN BED

Young Mrs. Becroft Had Miserable Time Until She Took Lydia E. Pinkham's Vegetable Compound.

Hamilton, Ont.—"I have suffered for three years from a female trouble and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pains in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the Hamilton Spectator and I took it. Now I have no pain and am quite regular without any trouble. I have recommended the Compound to several friends."—Mrs. MARY BECROFT, 299 Victoria Ave. N., Hamilton, Ontario.

For forty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It is made from native roots and herbs and contains no narcotics or harmful drugs. For special advice women are asked to write to Lydia E. Pinkham Medicine Co., Lowell, Mass. The result of forty years experience is at your service.

## MEAT CAUSE OF KIDNEY TROUBLE

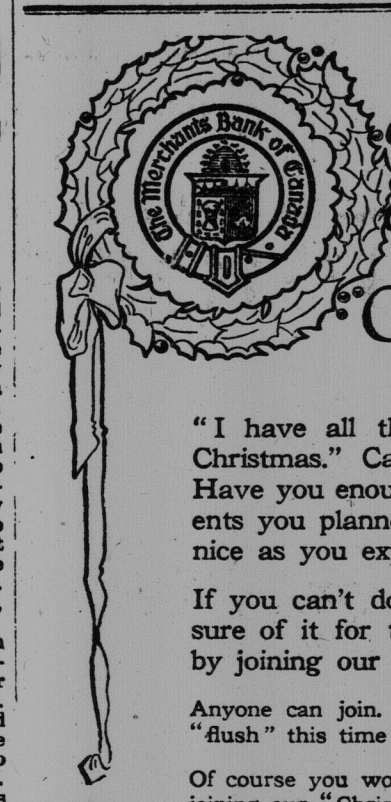

Take a Glass of Salt if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys. In their efforts to expel it from the blood they become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night. To neutralize these irritating acids, to cleanse the kidneys and flush off the body's uric acid waste get four ounces of Jael Salt from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in uric acid, so it no longer irritates, thus ending bladder weakness. Jael Salt is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

ernment charges was a conspiracy to scuttle the U. S. schooner Charles G. Endicott, which sank off the Cuban coast in last February. The indictments charge J. S. Vasconcelas, said to be the principal stockholder in two New York companies, the Peninsula Export Co. and the Peninsula Shipping Co., the lat-

ter of which owned the Endicott; James Cook, master the schooner; Russell L. Beatty, deck engineer, and Jos. Vasconcelas, a member of the crew.
