Johnny McIntyre Wins

Johnny McIntyre of Cape Breton retained his title of welterweight champion of the Maritime Provinces last evening by defeating Howard McKee of Boston in the sixth round of a scheduled ten round bout. The champion started off at a fast clip and had the advantage in the first round. In the second and third rounds were about even although McKee staggered Johnny with a left to the jaw in the second round. McIntyre ended the bout in the sixth by landing hard left and right drives to the jaw and technically knocking out his opponent. He proved himself to be a two-hand fighter able to give and absorb punishment and he was given hearty applause at the conclusion of the bout.

In the preliminary Martin defeated O'Neill

being awarded a decision in the second round. The second bout between Earl Penny and Bobby Mason was won by the former. Penny made a good showing and his victory was clean cut. He scored a technical knock-out in the second round.

In the third preliminary Young Keefe was awarded a decision over Jack Sullivan

on a foul. Sullivan showed greater experience and should have won quite handsily, but struck low in the second and lost the bout.

In the semi-final Bill McHarg defeated "Kid" Mose

Both boys gave a clever exhibition although McHarg proved himself to be more clever and a harder hitter. In the fourth round he staggered his opponent and had him groggy, but apparently had not desire to follow up his advantage. No decision was announced although it was apparent to all who had won.

The officials who handled the bouts were: Referee, C. W. Ellsworth; Judges, Dr. J. L. Day and Allan Gundry; timers, M. Dolan and Fred Logan; announcer, G. Landry.

SCOUT LEADERS SAY IT'S GREAT

St. John Men Hear Rodney Wood, Noted Official

Word from the Scoutmasters' Camp at Stewiacke, N. S.—Means Increased Interest in New Brunswick—Mr. Wood Had an Interesting Career.

Scout Camp, Stewiacke, N. S., July 24 (Special to Times).—A new interest in the work of the Boy Scouts in New Brunswick is expected to result from the Gillwell course, which is now being given to leaders in the movement by Rodney Wood, of England, at this camp. All declare that the course is a revelation of the real possibilities of scouting. Scout leaders taking the course are: J. O. Kaulback, 3rd Halifax Troop; Roy Cox, 3rd Halifax; Howard White, 6th Halifax; E. Sweeney, 12th Halifax; George Murphy, 16th Halifax; A. S. Candow, 17th Halifax; A. R. Inson, 23rd Dartmouth. Commissioner Guy L. Short, District Secretary V. C. Timberly, W. E. Strling, Y. M. C. I. Troop, and Eddie Jenner, 6th St. John's, all of St. John, N. B. Rev. E. P. Brown, Blandford; Paul Webber, Chester Basin; Andrew Watson, Sydney; Frank Harris, Imperial; George Barrett, Thorburn, N. S. Rodney Wood is a traveler, big game hunter in Central Africa and Rhodesia, through the Great East African campaign in Nyasaland and now an instructor in the Gillwell Park course for Scout leaders. He is directing the series of instructional camps for Canadian scoutmasters. The first camp for scout leaders from Ontario and Quebec was held near Ottawa; the second is at Stewiacke for the maritime provinces. Other camps are scheduled for Manitoba, Saskatchewan, Alberta and British Columbia. Few leaders joining the Scout movement during recent years brought with them a broader knowledge of the world's big spaces than Rodney Wood. After leaving Harrow, he spent some years in travel, including nine months of roughing it in British Columbia, then headed for Central Africa, where he spent ten years in pioneering, experimenting in cotton growing and big game hunting. When the great war came he at once joined the Nyasaland force, and served in the campaign against German East

Africa and in the Nyasaland Rebellion of 1915, being accustomed to work in the bush and jungle of Central Africa. It may be recalled that Captain F. C. Selous and other well known hunters were in this campaign against Germany in Africa, where they had spent so much of their lives, and to whose conditions they were accustomed. In 1921, while in the Seychelles Islands, Rodney Wood became interested anew

In Boy Scout work, and was asked by the Seychelles government to go to England to take the Gillwell Park course, that he might return and direct the boy work of the islands. Sir Robert Baden-Powell, however, at once recognized Mr. Wood's fitness for a much wider field, and persuaded him to join the Imperial Boy Scout headquarters instructors at Gillwell. When it was decided by the Canadian General Council of the Boy Scouts Association to put on the Gillwell Park course in this country, application was made for an instructor of especial ability, and Mr. Wood was recalled from South Africa to meet this request. Mr. Wood's accomplishments in out-

door craft include an ability at track reading of the Sherlock Holmes type; circus-like stunts with the lariat, Australian stock-whip, and the long kaffir bullock whip. The instruction is of the practical do-it-yourself kind, preceded by a talk, and followed by an open discussion, and covering practically the entire Boy Scout work programme. With an inexhaustible fund of stories and illustrations to point his talks, Mr. Wood has made the greatest impression upon the scoutmasters, who so far have been fortunate enough to hear him. The camp here will close on Friday night.
