EX'D.

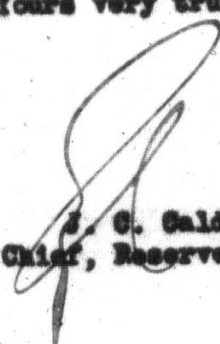

Ottawa, Ontario,  
April 27th, 1958.

Dear Sirs:-

Attention Mr. P. S. Bonney.

Referring to our conversation of this date with your Mr. P.S. Bonney, now in Ottawa, and regarding your license to cut timber on the Katit Indian Reserve Number One, in the Bella Coola Agency, I may say that in view of the representations made by Mr. Bonney on your behalf it has been decided to grant you an extension of three years if necessary from the termination of your present license in 1960, within which extended period it will be expected you will be in a position to remove the timber from this reserve.

Yours very truly,

J. G. Caldwell,  
Chief, Reserves Division.
