YOUNG LIBERALS HAD A ROUSING RALLY

Enthusiastic Speeches Delivered at Smoker Given Last Evening in Institute Hall by Prominent Party Leaders.

(From Saturday's Daily.) the electors in the success of the Li- curred. beral party. Despite the inclement

tions, the hall was filled, and every

man who left the hall felt that he had

Fred Peters, K. C., M. B. Jackson, of Hamiota, Manitoba, and Smith Curtis, each of whom set forth the fundamental principles of the Liberal party, on the list, and in getting men out to and in clear and convincing language vote, this advantage was of no use. Showed the reasons why that party deshowed the reasons why that party described to be there served the confidence of the people of this country. One of the marked features of the evening was the loyalty of the meeting to Sir Wilfrid Laurier, the meeting to Sir Wilfrid Laurier, into number of the people of the marked features of the evening was the loyalty of the meeting to Sir Wilfrid Laurier, into numbers and that he did not was a straightforward, honest man, want to see his labor friends going into the solution, he said that he did not was a straightforward, honest man, want to see his labor friends going into the solution on the voters' list, and see that it was put there. Once a young man's name the solution, he said that he did not want to see his labor friends going into the was surrounded by the men who the slough of despond, which was all the so-called Socialist party of this province had to offer them. Let the men that Canada into the was surrounded by the men who the slough of despond, which was all the so-called Socialist party of this province had to offer them. Let the men that Canada into the was surrounded by the men who the slough of despond, which was all the so-called Socialist party of this province had to offer them. Let the men that Canada into the was surrounded by the men who the slough of despond, which was all the so-called Socialist party of this province had to offer them. Let the men that Canada into the was surrounded by the men who the slough of despond. and to Hon. William Templeman, into public questions, he would be cer-

Mr. Munn in his opening address welcomed all the members of both the junior and senior Liberal organizations well as all friends of the ice. He wanted it understood that this gethering was not the sign of an immediate election. It was merely a reunion, such as the Young Libcry from any single class in the comand thinkers, who appreciated statesmanship and diplomacy, as one of the greatest statesmen in history. A change make the mistake of turning down a in government now would mean that man like Hon. Mr. Templeman who nding ability would be replaced had a seat in the cabinet for a man by helpless mediocrity. He wanted to call attention to the emblem of the position, especially as they could not Toung Liberal Club, under whose auspices this meeting was being held. The pices this meeting was being held. The inet rank. first thing on it was the old flag. This they were willing to share with the Conservatives. Then came a picture of her late Majesty Queen Victoria, whose beautiful life still lingered in the try in the past few years. The basic principle of the Liberal party was a principle of the Liberal party was a doubt him were not deserved. At home government for the masses, not the in Manitoba he was called a dub, but later and as an administrator his recomment for the masses, not the in Manitoba he was called a dub, but later and as an administrator his recomment for the past few years. The basic flattering things the chairman had said shout him were not deserved. At home days were a statement of Shanghai, which was established as far back as 1858, and from the physical director; listed as far ba classes. That party had its birth in the struggle for responsible government. The work must, however, contempt and the government at Ottawa time and the government at Ottawa.

that when the Liberals of Victoria wanted wisdom they went to Mr. dollars. As a result he stock them without political honor.

ed." This, he said, they could apply to those who expected wisdom from him. the country. The people of Canada had stateman, He was absolutely honest. If democracy through the Liberal ministers were as honest, ed." This, he said, they could apply to those who expected wisdom from him. He took his hearers back to the great Liberal convention held at Ottawa in 1893, where Sir Wilfrid Laurier and the Liberal party declared the policy on Liberal party declared the policy on Liberal party declared the countries of citizenship which they entailed. Too many took the attitry. The policy then laid down had That convention was the first step totive government then in power. It had whole Liberal party of Canada, which, strength in the country. The presence instilled the confidence necessary to success. The Liberal party had, fol-

At a recent meeting he had strongly advised the older Liberals to educate in the Liberal principles every one with whom they came in contact. As to what this policy was he might say that the party was not tied down to any one line of policy, but was always growth and development of the country presented them. What the Liberals done during his whole career. had successfully fought for 50 years ago had been forgotten, but the fundametnal principle was always the

Return Mr. Templeman. He was gratified to learn of the growth of Liberalism, not only in this city but throughout Vancouver Island been more than repaid for his attend-and the Mainland, as a result of the convention held in Vancouver last fall. If the electors of this province were

The chair was occupied by H. A. Munn, president of the Young Liberal Club. On his right was Mr. Curtis and Club. On his right was Mr. Curtis and on his left Messrs. Peters and Jackson, the other two speakers of the evening.

Welcomes the Guests.

Ister in the person of Hon. Windam and the city owed it to last campaign, for generosity for an old man, but he thought that the country offered. Even candid Conservatives were forced to admit that there was no chance for that party to part in the next general election.

Welcomes the Guests. had the confidence of the people, and present, as well as all friends of the party who had honored them with their When the Conservatives went out of proud to call their leader. power in 1896 Sir Mackenzie Bowell. who had been, until shortly before that time, premier, had referred to his coluch as the Young Lib-leagues as a "nest of traitors." The ustomed to hold once chief of these was Hon, Mr. Foster, each year. But while this was so, they still one of the leaders of the Conservaald yet be prepared for one when tive party. He and others such must should yet be prepared for one with it did occur. They had the party and they had the leader, so that they should hope for power. In other words not be afraid of the result. Vancouver, May 15.—There was a very large attendance at the annual meeting of the Y. M. C. A. last evening and much enthusiasm was shown when the highly encouraging reports from the highly encouraging reports night come, the great and good Sir

Smith Curtis Congratulates Smith Curtis, the last speaker of the evening, congratulated the Young Liberal Club on its success. He was glad to see enthusiasm such as per-meated the Liberals of this city in 1903, when they had elected four Liberals to the legislature, and shortly afterwards had sent Hon. William Templeman to the Commons, when he had been made a full-pledged member of the cabinet, not an underling as Colonel Prior had been when at Ottawa.

The difference between the two po-

litical parties generally cropped out in legislation. The Liberals stood for the people's interests, while the Conservatives could always be found standing up, for so-called vested rights, which often became moral wrongs. The speca sample of this. The Conservatives had voted as a man for the Esquimal company's alleged vested rights. The Conservative attitude on the labor question was also typical of their course throughout. Only a few years giving labor unions the right to strike terview the origin of the now famous for higher wages if they felt called military organization of the British set-

Pferdner; to Stephen fones, proprietor of the Dominion notel, for the attention and comfort provided for the visitors, and to the press for the reports that have been their blankets, axes and traps. Since printed in regard to the proceedings, P. G. C. Hammar remarking that the Times report of the convention was the pest yet on record of the convention's meetings.

A special vote of thanks was tenderd to the lodge at Duncans for the entertainment of the visitors there last night, where they attended a grand ball entertainment and supper as the guests of the Duncan lodge to the number of over one hundred, returning by special train this morning at 3 p.n

At the session of the grand lodge held vesterday afternoon the bulk of the ime was taken up in dealing with resolutions brought before the convention. The greater portion of these were not carried. The actual business resulting from the afternoon's deliberations was a report from the committee on necrology, which reported that there had been nineteen deaths during the year. Suitable reference was made to the report, which will be made in the journal of proceedings. The convention granted charters to

new lodges at North Vancouver Nakusp and Hosmer, and renewed the charters of Arrowhead. No 38. and Enderby, both of which lodges recently lost their charters by fire.

Towards the purpose of having the grand statutes amended, the convenion appointed a committee of three which he referred to the substantial progress that had been made in all the departments. He also referred to the splendid work being done by lisher of the Pythian Shield, who has committee, the social committee and to attend the balance of the conference.

NO WORD YET OF LOST MEN

DISAPPEARANCE HAS CAUSED UNEASINESS

Arrival of Tees Brings No News of the Waters Brothers.

(From Friday's Daily.) Were the Waters Brothers lost or murdered? That is a question which couver Island. Yesterday word reached this office that the two men, Horace and Harvey Waters, had gone to Nootka sound, and that their boat had been lying in the water waiting their return. Time passed yet they did not come and the result was that people considered that they must be lost. Later advice says that there is uggestion of foul play on the part of the Indians, with whom they stayed for a few days, before the alleged de

It seems so far as can be gathered from the vague stories that come down, ating a fund for the support of the so-ciety.

dition. They went up Thasis canal about half way to where one of the across the building and made it unhabitable they crossed the canal to an selves, still having some whiskey with with votes of thanks to the them, they remained and enjoyed

At the end of two or three days they went off into the woods carrying with them a demijohn of whiskey but very their blankets, axes and traps. Since that they have not been seen.

This story seemed so unlikely considering that the men were expert woodsmen that it excited much com ment and the suspicion has been aroused on the coast that the Indians are not telling all they know about the circumstances. Many are inclined ording to the information brought by the Tees, to believe that the In dians may be responsible for the disappearance of the men.

POTTERY AT ROYAL CITY

Several Victorians Said to Be Interest ed in Industrial Scheme.

on several blocks of land adjoining Lakeview Gardens, on the Burnette river, Burnaby, has been taken by the B. C. Pottery Company of Victoria which proposes establishing a manufacturing industry at the point, where valuable deposits of pottery clay have een located, samples of which have been tested with very satisfactory results. Several tons of clay were taken from this district last year, pipes bricks, tiles and sewer pipes being manufactured at Clayburn, the tests eing satisfactory in every respect. The company is said to be backed by sev on the building of the necessary plant liminary transactions are completed.

BLOOD MAKING TONIC TREATMENT

A CURE FOR ANAEMIA THAT IS SHOWING REMARKABLE PROOFS OF CURES IN STUBBORN CASES.

When the body becomes weak and run down, either from overwork, worry the blood would show it to be weak and watery. This condition is called anaemia, which is the medical term for "bloodlessness." The symptoms are paleness of the lips, gums and cheeks, shortness of breath and palpitation of the heart after the slightest exertion, dull eyes and loss of appetite. Anaemia itself is a dangerpoor condition of the blood. The blood nourishment to every part of the body. Dr. Williams' Pink Pills are making new, rich blood and they have been curing anaemia and other blood diseases for nearly a generation, as an invaluable household remedy. Mrs. D. Estabrook, Brooklyn Road.

N. B., says:-"My daughter Gertrude who is now in her sixteenth year, was constantly doctoring for her, but it did was able to return to school. From that on she grew stronger, had an exBIG INCREAS IN ASSE
