GET UP!

That's the morning call of Chanticleer. It's a welcome cry to a well man. But to a man whose sleep seems to have been only an unrefreshing stupor who wakes with burning eyes, throbbing head, and a bad taste in the mouth, it means only a new day's misery.

In such a physical condition health is most surely and swiftly restored by the use of Doctor Pierce's Golden Medical Discovery. It cures diseases of the stomach and organs of digestion and nutrition, and it cures through the stomach diseases of liver, lungs, kidneys, etc., which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition. It increases the activity of the blood-making glands, and every organ is benefited by the resulting increase of rich, pure blood.

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and other narcotics.

"Your Golden Medical Discovery" and Dr. Sage's Catarrh Remedy have been of great benefit to me," writes (Prof.) Pleasant A. Oliver, of Viola, Fulton Co., Ark. "Before I used the above mentioned remedies my sleep was not restful, I had a continual feeling of misery, I now feel like a new man. Any one who is afflicted with nasal catarrh could do no better than to take treatment of Dr. R. V. Pierce. I know his medicines are all right in this class of diseases."

The Common Sense Medical Adviser, cloth binding, sent free by the author, on receipt of 50 one-cent stamps, to pay expense of customs and mailing only. In paper covers 31 one-cent stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
