

The "high cost of living" is a live subject with the politician, with the person with money as well as the poor man. The man with money finds that he needs more than he once did in order to get along comfortably. This means that his money must work harder, must earn more. He is not satisfied to allow his money to earn but 3 p.c.; he is buying good industrial and public utility corporation bonds and preferred stocks, and in this way doubling the earning power of his money.

We own and offer for sale a number of issues of such securities as will meet the requirements of those who wish to double their interest income—with safety.

You will be under no obligation if you write us for particulars.

THE MOVEMENT PRODUCE PRICES DAY'S SALES ON OF PRICES IN CANADIAN MONTREAL MARKET UPWARD CENTRES

New York, N. Y., July 2.—Stocks made further upward progress today, the early movement having more snap and breadth than any of recent date. A very considerable part of the trading was in the industrial, United States Street resuming its old time leadership at a smart advance. Other shares that participated prominently in the rise were the local traction, which reflected the more favorable phase of the subway situation, Brooklyn Rapid Transit rising to its best price in some years. Shares of the electrical and equipment companies also figured importantly, but tobacco stocks were inclined to react after their phenomenal gains of the past few weeks.

As the session wore on, standard shares took their place in the general rise, with gains marked in Reading, Union Pacific, Northern Pacific, Chesapeake and Ohio, and Missouri Pacific. Profit taking later wiped out most of these advances and business came to a standstill, but the market's strong undertone was maintained up to the last hour when some heaviness followed the news from Baltimore, and further recessions were registered with an irregular close.

A local feature of interest was the heavy drain of the local banks to the treasury, resulting largely in payments to the government incident to the close of the fiscal year.

The loss thus far this week is in excess of \$12,000,000 and will probably increase despite receipts from the interior. There was a better demand for long time money, but no appreciable change of rates. The only news of importance from abroad was another fall in console.

London's market developed a better tone, with ease in money. Berlin was strong with some weakness in Paris.

Bonds were irregular, except the traction issues. Total sales par value amounted to \$3,247,000. United States governments were unchanged on call.

The section led all commodities to Canada, with a slight advance in wheat. No. 8 section now leads in Canada. Major Later administrative signaling biggest.

Canada has sent his congratulations to the men of the St. John section.

Police Court.
There were ten occupants of the prisoners' bench yesterday morning when court opened. William Foley charged with stealing liquor from a freight car in the C. P. yard was remanded to jail. William Murphy was fined for drunkenness and remanded on a charge of destroying property in the C. P. lockup. Fred Erickson charged with assault on Harry Henry, was remanded. Several drunks were disposed of.

GENERAL.

Aviators Killed.
Alton City, July 2.—While three thousand spectators stood too startled to utter a single sound, the big dirigible balloon, which was shattered by the explosion of the gas bag and blown to atoms at 6:35 this morning, a half mile off shore, over Annapolis, Md., in Vaniman who had built the airship with the idea of flying across the Atlantic ocean. Calvin Vaniman, his daughter, George and Almon, Walter Guest and George Brilant, his crew, were instantly killed.

Disastrous Fire in North Adams.
North Adams, Mass., July 2.—One of the most disastrous fires that ever visited North Adams, destroyed a large section of the heart of the business district, early today causing an estimated loss of \$500,000. The Empire apartment house and Sullivan Brothers' furniture building were destroyed.

WAS ALL RUN DOWN.
Doctors and Medicine Failed To Cure Him.

Many people become run down, but don't know just exactly what their trouble is. As a rule it is improper circulation of the blood, owing to not just taking proper care of themselves, but also to a good tonic to build up the system and purify their blood in proper shape, and for this purpose there is nothing so equal Burdock Blood Bitters. It regulates the stomach, liver and bowels, purifies the blood and tones up the entire system. Mr. Murdoch A. Morrison, Toronto, N.S., writes: "I am now writing to tell you what Burdock Blood Bitters has done for me. Last Summer I was all run down, and doctors and medicine failed to cure me. At last I decided to try a bottle of Burdock Blood Bitters, and after taking one bottle I began feeling better, and after I had taken the remedy for two months I was completely cured. I can safely recommend your remedy to anyone." Manufactured only by T. M. Burns Co., Limited, Toronto, Ont.
