1872, at 11 o'clock, a. m., and 3 o'clock, p. m. WILL COVER MARINE RISKS,

HULLS, CARGOES (under and over all when desired,) Freights, Advances, Specie, &c., TO AND FROM ALL PARTS OF THE WORLD.

This Association has been formed with the principal object of encouraging Owners of Vessels and Cargoes, who now insure Abroad, to place their Risks in Saint John.

The polices are as liberal as granted by Responsible Underwriters, at home or abroad, containing plain and equitable conditions to meet the necessities of the commercial community.

No limitation of total amount of Insurance will be made except at Owner's request, when a Rebute of 10 per cent. discount will be allowed from current rates loss or no loss. Dealers who do not keep their Ships fully insured will therefore have the option of receiving ten per cent. FOUR BUTTON fore have the option of receiving ten per cent. benefit.

All the Policies cover Collision Risk. for Damage received by the Ship Insured; also, cost of recovering from the other Vessel for damage wrongfully done by her.

With the above advantages, the New Brunswick Lloyds anticipate receiving a fair share of the best class of marine business, now being covered here and in England.

In connection with Loyds, Risks are taken as heretofore for the "Montreal," "British America," and "Quebec" Marine Companies, enabling the undersigned to take full lines on and by Al vessels. These Companies are old established corporations, and have Cash Assets in the aggregate of One Million Five Hundred Thousand Dollars, with a Special Reserve Fund accumulated at Bank in St. John. The whole business will be transacted on liberal terms. Premiums at Lowest Current Rates, and usual credits given.
